Presenting the

Nineteen Fifty

Delphian

Published by

The Delphian Staff

New Philadelphia High School

New Philadelphia, Ohio

Volume XXXVII

Foreword

In this year of 1950, the turn of the century, newspapers and magazines have written to great extent about the highlights of the past fifty years, and have predicted events that will happen in the next half century.

Today as we proudly present the 1950 Delphian to you, we are not concerned with either of these subjects. Nineteen hundred and fifty itself is what we have tried to bring in this annual: your friends and classmates, your school activities and pleasures, the heartbreak and the joy, all the little things which made your life as a student of New Philadelphia High School unforgettable.

Reminiscing becomes more tender as you look back to the happiest and most cherished year of your life when you knew no cares or worries and life was just a happy pastime. If in years to come, when you relive 1950 through the pages of the Delphian, that feeling becomes a part of you, we know we shall have succeeded in creating a lasting record of New Philadelphia High School, 1950.

Dedication

MRS. RAYMOND RANDALL

(Miss Buelah Barton)

Because she gave her untiring efforts for several years as the faculty adviser for the Delphian,

Because she was cooperative and understanding in both classroom and extra-curricular activities,

Because she guided so many students along the road to success,

We, the class of 1950, in this small way, hope to show our sincere appreciation by dedicating this year's Delphian to Mrs. Raymond Randall.

Public school education is a cooperative effort by the local community, the state, and to a lesser extent the nation, to offer to each individual opportunity for maximum development by trying to assist his needs for physical, social, emotional and mental growth.

If our youth achieve the maximum growth by meeting immediate needs from childhood to adulthood, certainly we shall not need to unduly concern ourselves as to the abilities and performances of our future citizens.

Congratulations to members of the Class of 1950 for arrival to this point in your life plans. As illustrated by this yearbook, you have availed yourselves of many experiences which have contributed to your growth.

As you finish your period of attendance in the public school, we wish for you the best of everything in the future. We shall always treasure this fine yearbook as a remembrance of your stay with us.

For the last 36 years the student body of N. P. H. S. has been publishing an annual. It is no easy task to plan, to organize and to finance this project. Each year I am impressed with the interest and enthusiasm of the Delphian Staff as it plans and prepares its edition. This year is no exception as another fine Delphian has been published. I want to congratulate Miss Wright and the Delphian Staff for this work.

I also want to congratulate the members of the senior class not only for successfully completing their high school education but also for contributing to athletics, music, scholarship, publications and other activities. Our school is very largely what the students make it. Likewise our society will depend very much on you as a contributing member. Let's help make it a much better world. Best wishes for all of you.

Members of the Class of 1950

I imagine you have had the privilege of having a neighbor or relative show you his vegetable or flower garden. If it had been given good care, he could be proud of it, and you would be the happier for having seen it.

Just now you are interested in the garden of memory, for N. P. H. S. has had a significant part in it.

I want to call your attention to another garden, to which Confucius made reference. He said, "One must look into the garden of his soul alone."

Cordially yours,

When Rev. Spence, his high school age, trouble-getting-into children, and attractive wife walk into the run-down, dilapidated parsonage at their new parish, it's quite a shock, but that's only the beginning. Rev. Spence's struggle to build a new church, organize a new choir, and crush intolerance leads to a pitched battle among his flock. He is even threatened with dismissal from the clergy. Just when the entire future of the Spence family hangs in balance, a solution which satisfies everyone is reached. The end result is a hilarious, but serious and heartwarming study of small town parish life.

Club Activities

We are taking part

Honor Club

The Honor Club, composed of all students who have 2 A's and 2 B's or 3 A's and 2 B's or better, encourages scholarship. Any student who achieves this high standard for one or two semesters becomes an associate member. Those who maintain such grades for three semesters become active members. Those who keep up this record for five or six semesters become life members and are awarded honor pins at an assembly in May.

This assembly is in charge of the Honor Club and gives recognition to those of the school who receive any honors, scholastic or otherwise.

In April the College Club of the city honored the active and life members with a banquet.

Future Teachers of America

The F. T. A., led this year by Mrs. Hodder, enlightened and encouraged its members in the field of teaching.

Interesting talks were given at the monthly meetings in Room 37.

The most outstanding activity of the club this year was the March of Dimes Drive. An assembly, a dance, and passing of Mr. Rudy's hat at one of the basketball games made this drive very successful.

In March the club entertained their parents and the Dover F. T. A. at a covered dish dinner. Mr. Cook of Kent State University was the speaker.

Der Deutsche Verein

The German Club consists of any second year student who wishes to be in the club and first year students who have an average of B or better at the end of the first semester.

Under the guidance of Miss Rutledge the club members attain knowledge and better understanding of the German people. Their programs are varied and interesting. In November they devoted their meeting to Goethe and in December enjoyed a Christmas party. The first year students were initiated in the February meeting and they in turn entertained the second year students in the March meeting.

The year closed with the annual Language Club banquet in April.

Library Staff

The library is an interesting place. If you doubt it is a busy one, step into Room 214 in the Junior High School any period of the day and you will find most every available chair occupied.

Miss James, our capable librarian, labors tirelessly in helping students use the materials available in the library.

The staff volunteer their free periods to help Miss James. The nature of their work varies, consisting of checking books in and out, secretarial work, mending and binding books and magazines, helping to make bulletin boards more appealing, and taking inventory at the end of the year.

However, it is not all work and no play. A Christmas party was held one day after school, at which time they decorated the tree and had refreshments.

Debate Squad

The Debate Squad members were ably sponsored by Mr. Bender. Development of the ability to think clearly and logically on one's feet, to speak convincingly and with smoothness are among the desirable characteristics fostered in debating.

The Squad debated this year on the national high school debate question: "Resolved, that the President of the United States be elected by the direct vote of the people."

Our squad attended a tournament at Canton McKinley. They sponsored two debate assemblies. Western Reserve University and the University of Pittsburgh debated for the student body during the first semester. During the second semester Howard Blind and Jim Engel debated against John Mansfield and Jill Stiffler.

All members agreed the hours of investigation and practice were very profitably spent.

Assembly Committee

The Assembly Committee worked this year with their adviser, Miss Wright, to bring to the students of the senior high a varied program of interesting, educational assemblies. The members are chosen from home rooms by the respective teachers.

Some of the best-liked assemblies were: the Hallelujah Quartette, Johnston, the Magician, and Mrs. Foster Flora.

The religious assemblies during Religious Emphasis Week, at Thanksgiving, Christmas and Easter were well received by the students. The minstrel, junior jamboree and Arthur Godfrey program were outstanding student talent assemblies.

The group closed their year's activities with a banquet in April.

A cappella Choir

The A cappella Choir, directed by Mr. Bliss, meets every day during the fourth period.

We often hear them lift their voices in harmonious song at assemblies throughout the year. At Christmastime their caroling in the halls is a delightful treat.

This group represents N. P. H. S. at churches, clubs and other types of community gatherings.

In March they presented the operetta, "Trial by Jury," by Gilbert and Sullivan. This being the first operetta given in many years was a great success and was a tribute to the hard work and cooperation of Mr. Bliss and the members of the choir with Miss Garver and the speech classes.

The activities were well rounded out when the group sang for Baccalaureate.

Coaches

Coach Gattrell — Coach Kidd

RALPH GARTRELL

"Blondie" had a tough assignment facing him this year when he came from Martins Ferry to take over the reins of the N. P. H. S. basketball team. He had a rough time finding a smooth-working combination and while seeking this, lost a few very close games early in the season. The record left by the '949-50 quintet does not really show the true picture. Next year he will have at his disposal a wealth of height and material and we are expecting big things from him.

WILLIAM KIDD

N. P. H. S. again acquired fame on the gridiron under the capable leadership of head coach Wm. Kidd. He developed a fast charging, rough blocking line, and also a backfield with deception, speed and power. The Phil mentor guided his eleven through the season losing only two games out of the ten played. A wealth of lettermen will form the nucleus for next year's team and we again look forward to a very successful season.

To seat the people at football games is a major undertaking. The above group volunteered to help Mr. Howey at all home football games. These students also went to Dover this year to usher at the annual Phila.-Dover game.

Schedule

Following a good example set by the 1948 eleven, the 1949 gridiron crew amassed eight victories against two reverses to wind up a very successful season. Helped immensely by a wealth of material, Coach Bill Kidd's "rough and ready" football team romped through the first part of the season without tie or defeat.

Against Salem, Coshocton, East Liverpool and Canton Lehman, the high-stepping Phils piled up 91 points against 32 for their opponents. The Quakers, running from a T-formation, displayed speed and power in the offensive department. On defense, the hard-charging line, using rock'em-sock'em style, kept their adversaries from scoring very highly. When one would look closely at the Phils, they could find little cause for grief as there was very little improvement that could be made.

At Canton, the Timken crew turned loose a surprisingly tough offense, tearing large holes in the Quaker line and scoring, almost at will, from any spot on the field. When the final gun sounded the Phils had the short end of a 37-6 football game. Allan Rodd, chunky halfback, scored the only Phil touchdown on an end run in the third period.

Then a tough Toronto crew invaded the Quaker town and were set back by a vengeful Phil eleven, 14-0. Coach Bill Kidd's crew again showed power and finesse on both offense and defense. Just eight days had gone by when the Phils made the long trip to Bellaire. The trip down was very eventful as quite a few of the Quaker crew got quite sick. To top things off, the Bellaire eleven used a tough style

Schedule

of play and in so doing injured co-captain Jerry Wampfler, All-Ohio Quaker tackle. The officiating wasn't anything to shout about and our fighting eleven suffered their second and last defeat of the season, 15-6.

In the next two games the Phils again tore loose, romping and stomping, to defeat Uhrichsville and Mt. Vernon by high scores, 47-0 and 33-7. The starting eleven watched the largest part of these two games from the sidelines while the under classmen took over. They proved to everyone that the Phils will have more great teams in the future.

In the annual clash with our traditional rival, Dover, the "terrifying" Quakers made a sensational entry into the "Major Leagues" and pushed the Tornado (Big Blow) team all over the field.

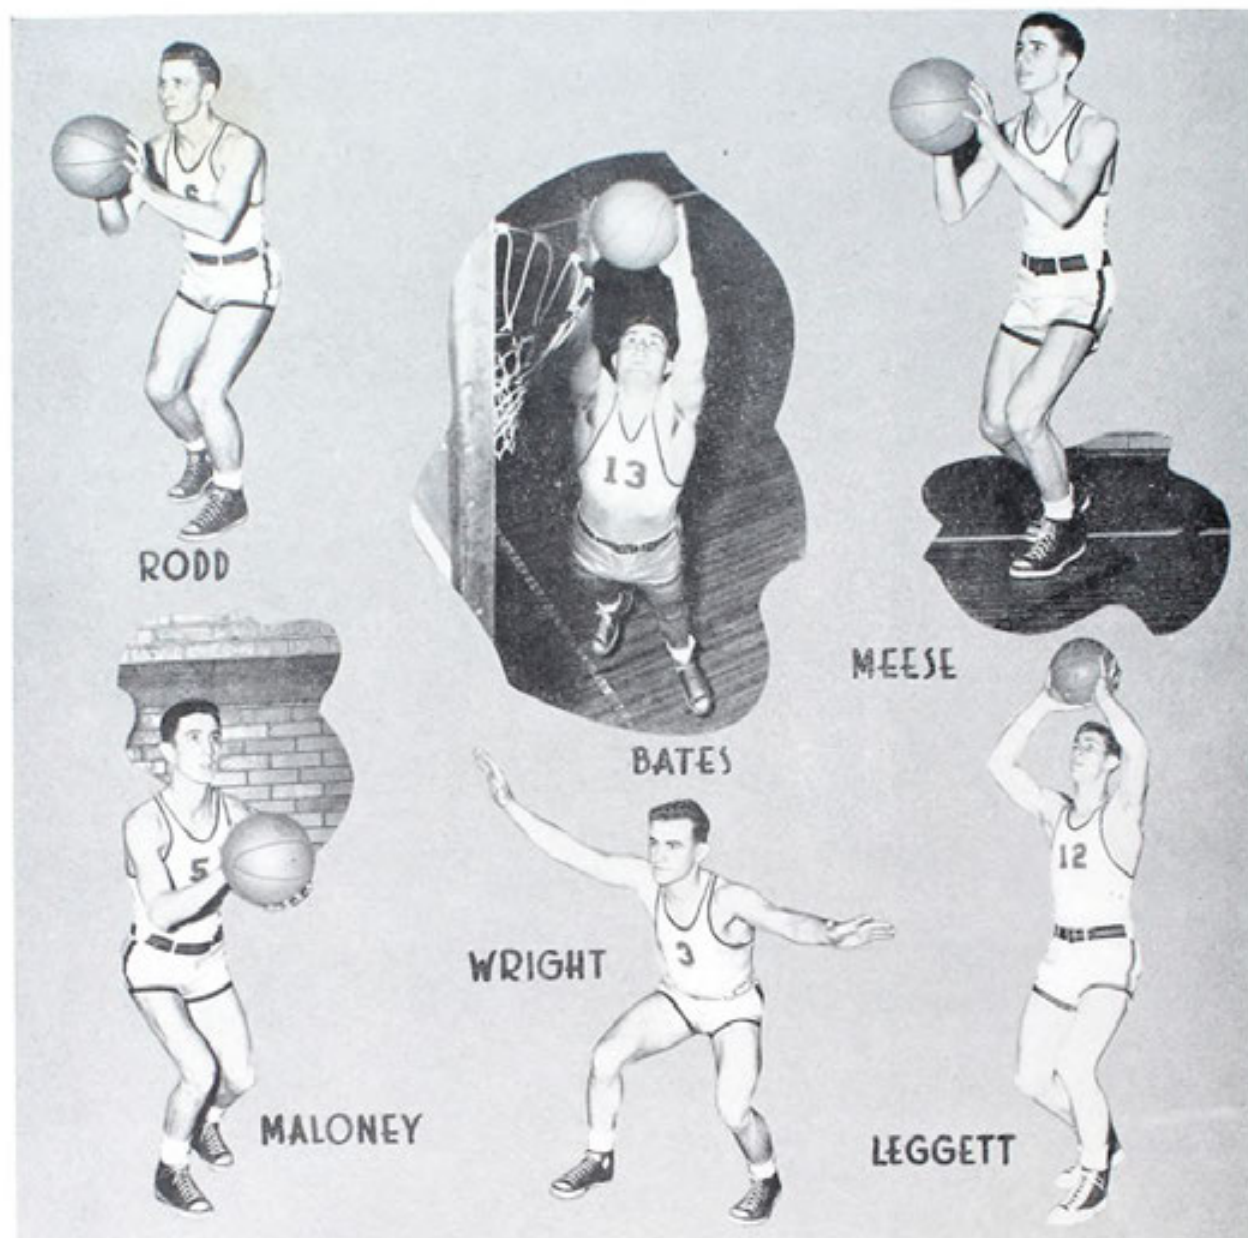

Dover drew first blood in the contest when a completed pass resulted in a score. Hardly had Dover fans again taken their seats when "Dottie" Richards, flashy sophomore scatback, took the kick-off to a touchdown. The Philly line had really opened a hole for him. When the Quakers again got the ball, Leggett passed to Campbell for another score. Dover punted on their next turn at the ball and in a fast play, co-captain Jim Metcalf ran beautifully for the third Philly score. The Quakers had scored three touchdowns before Dover even had a first down.

In the second half the Tornado crew toughened up and the Phils were able to score only once when Leggett again passed to Campbell. When the game ended the Quakers had decisively defeated Dover by a score of 27-6.

Schedule

With only one letterman back from last year's squad, Ralph Gartrell, new Quaker mentor, had a challenging assignment ahead of him. In the opening game, the Phils stomped out a 69-35 victory over Class B Jewett. In the next three games, the Quakers fell short by a few points, losing to Lehman, 45-35, Uhrichsville, 37-35, and Timken, 34-33. The Quaker squad just didn't have the luck to come out on top. Lack of experience was the biggest factor in these losses.

Next, the Phils encountered a tall Newcomerstown five and set them back 61-50. Leggett and Bates paced the Quaker offense. Things were looking up, so we thought.

Against Coshocton, the Phils couldn't hit and dropped a 52-46 decision to the Redskins. Following this the Phils edged the Tornadoes of Dover 57-54 in a hard-fought battle on our home floor.

On the three longest trips of the year, Zanesville, Mansfield and East Liverpool, the Phils suffered three losses. At Zanesville the Quakers couldn't click and fell to a 55-48 loss. The highly touted Mansfield Tigers, turned the game into a rout by romping over the Phils 79-43. At East Liverpool, a "rotten" second quarter gave the Potters the edge. In this quarter the Potters outscored the Phils 19-4 but fought for all they were worth to keep the victory in their own hands, finally coming out on top 52-47. Leggett and Meese were the big scoring factors in this game.

The Generals from Wooster then invaded Quakertown and just couldn't seem to miss the basket. The Phils lost again 71-68. Leggett again took the scoring laurels for the Gartrellmen with 30 points. Then the Phils again edged the Trojans from Newcomerstown 62-52 with Leggett and Meese pacing the attack.

At Dover the Phils lost three of the starting five

Schedule

on fouls and could not fight off the Furbeymen from Dover, losing by a score of 51-44. With Leggett and Meese showing the way the Phils defeated Canton South 45-32 in a rough game. Then Leggett racked up 25 points to lead the Quakers to a 43-38 victory over the Uhrichsville Tigers. The Gartrellmen were again a smooth-working outfit and were showing more promise.

At Canton Timken the Phils, with Meese ill, lost some of the smoothness and were defeated by a score of 63-44. Leggett led the Quakers with 17 markers. Without the services of Meese, regular guard, still ill, the Quakers defeated Dennison by a score of 51-34. Leggett and Rodd paved the way for the Phils with 21 and 15 points respectively.

In the final two games of the season, the Phils showed power and fight as they defeated St. Clairsville and Zanesville, 53-42 and 57-47. Leggett, Bates, and Meese were the big scoring threats in these games. This ended the regular season and the record stood at 9 won and 10 lost.

In the Tournament at New Concord, the defending district champions lost their first game to the Dover Tornados, who went on to become their successor to the district crown. The Phils led throughout the game but a final rush by the Tornados could not be fought off and Dover came out on top, 47-41. Leggett and Meese paced the Quakers, while Woods and Lengler did most of the scoring for Dover.

Looking over the season we find that Leggett, terrific junior center, was the big scoring factor in the Quaker offense, scoring 403 points in 19 games, a record as far as anyone knows. Meese, senior guard, was the second high scorer with 152 while Bates was third with 109.

A lot of height and quite a few lettermen are eligible for another year so we are looking forward to a very successful season.

The Cheerleaders, led by the captain, Peggy Brogne, had a busy year. Every football game was faithfully attended by the squad. They also cheered on the basketball team during its season.

Another cheerleading activity was planning pep rallies before important games. The snake dance and pep rally preceding the Dover-Phila. football game brought the old rivalry spirit to its peak.

The cheering season was climaxed by a dinner.
