THE DELPHIAN
NEW PHILADELPHIA HIGH SCHOOL
VOLUME 68
NEW PHILADELPHIA, OHIO

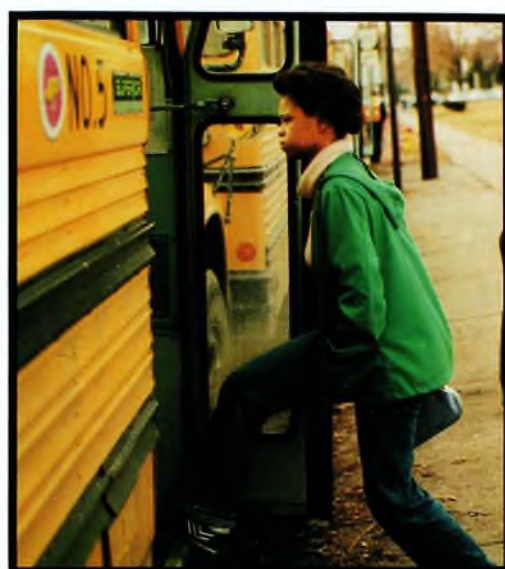

As this year began, we encountered challenges, triumphs, and tragedies. We have had feelings of accomplishment, but at the same time we bear a sense of loss. Our experiences and impressions have unified and enriched us in our preparation for life.

As the 1980-81 school year began at NPHS Student Council greeted the students and faculty with the traditional opening assembly and "picnic on the lawn." The Marching Quakers enjoyed another fine season as they won many honors and greeted President Carter during his campaign stop at Canton-Akron Airport. Our athletes donned their uniforms and once again championed our Quaker Pride and the Red and Black Pack kept spirit alive. Students attended **The Man Who Came to Dinner** and Homecoming and voted in a mock election that elected Ronald Reagan the next President of the United States.

Phila-Dover Week broke tradition as the two communities and schools rose to a cause and successfully held the Berentz-Espenschied Telethon. The traditional week of activities for one of the oldest football rivalries in Ohio ended with the most touching community pep rally and football game we ever attended. Banquets, assemblies, dances, concerts, field trips, competitions, club activities, and academic achievements kept us busy throughout this year and saw us bid farewell to one group of our friends—the Class of '81—as graduation started them down life's many paths.

EVENTS

... That was this year's homecoming theme. The Marching Quakers provided the colorful pre-game setting for the introduction of the Homecoming Court. Each class in a run-off election chose its representatives to the Court. The Senior Class named the king and queen. After the court was introduced, Miss Lynn Tschudy announced that Mike Ours and Deb Miller were this year's King and Queen.

Student Council's committees worked hard to get everything ready so NPHS students could have another memorable homecoming. A dance was held at South School after the football game with Madison in honor of the 1980 King and Queen. Phila's students danced to the music of DJ Doug Williams.

PHILA-DOVER WEEK

Spirit dominated Phila-Dover Week this year which began on Sunday, October 26 with the Berentz-Espenschied Telethon that raised over \$70,000 for the two fallen heroes. The coveted week built momentum as NPHS observed "Hats off to Phila" on Monday, "Quaker supporter day" on Tuesday, "Spook 'em" on Wednesday, "We've got '44" spirit" on Thursday, and our traditional "Red and Black day" on Friday. Activities, spirit, and pride increased as the week progressed. After Thursday's spaghetti dinner and parade, we attended the most touching community pep rally ever held. The highlight of the pep rally was when Quaker Club President Dick Wood and Coach Jim Roman read a telegram from Steve Berentz announcing that he would attend the Phila-Dover game. NPHS won the spirit ribbon contest by purchasing 33,680 inches of spirit ribbon to Dover's 11,247 inches. Emotions were high as Steve entered Quaker Stadium at kick-off time. Sam Rutigliano and Jim Mueller spoke briefly at half-time and presented checks to the families from the BEB Telethon. Phila fought hard to be victorious in the game but fell by a score of 9 - 7.

FALL PLAY

"The Man Who Came To Dinner" was presented October 23 and 25 under the direction of Miss Lynn Tschudy. The setting was in the home of Mr. and Mrs. Stanley in a small town in Ohio. Act I took place in mid- December, Christmas Eve was the setting for Act II, and Act III took place on Christmas morning. The humorous drama is about a snobbish author and celebrity, Mr. Whiteside, who is confined to a wheelchair after supposedly breaking his hip. During his stay at the Stanley residence, he amuses himself by banishing the family from most of their home, forbidding the use of the telephone, advising the two Stanley children to run away, and attempting to end the romance between his secretary, Maggie Cutler and the local news reporter, Burt Jefferson. Concluding with the discovery of a murder, one can see the variety this play offered.

MARCHING BAND

Comprised of 160 members, the New Philadelphia High School Marching Band had an outstanding and successful season. The band attended several competitions and was awarded superior ratings and trophies for their field commanders, flag corps, rifle corps, majorettes, percussion section, and their excellence in parade and field competition. Highlighting the Marching Quaker's season was the Regional District Marching Bands of America Competition and the OMEA State Marching Band Finals. From these and other events, the band totaled numerous first place trophies and ratings. The group was also invited to play at the Canton-Akron Airport to honor President Carter while he was campaigning. The Marching Quakers had a successful trip in June to Whitewater, Wisconsin where they competed in the National Marching Bands of America competition.

The forty-seven member group presented a colorful Christmas concert in a winter wonderland setting. As spring neared, the choir kept busy by preparing for their contest in March and their annual Spring concert. A delightful performance by the choir at the spring gala was the finale of a very entertaining year.

Our NPHS choral department added a spice to the community and school by giving many entertaining performances this year. Among their appearances included area church functions and nursing homes. The Delphian Chorale, under the direction of Mr. Joe Palmer, earned a superior rating at the solo and ensemble contest and gave a fantastic show for the Philharmonic League.

Sweet Sixteen, Freshman Choir and Delphian Chorale gave impressive Christmas and Spring concerts which left the spirit of the seasons with all who attended. We'd like to congratulate our choirs for a job well done and an excellent year!

HARD WORK BRINGS SUCCESS

Although the Marching Quakers had a busy schedule during the fall months, the musical season for the NPHS band members doesn't end with performances at football games and marching competitions. To satisfy their musical talents and interests, they regroup into several different bands. All members are seated into two concert bands—Wind Ensemble, for the most highly skilled band students and Concert Band for all others. Some members also participated in Jazz Band or Pep Band. Jazz Band provides entertainment for community groups and organizations whereas Pep Band performs during basketball games for the spectator's enjoyment. During the winter and spring seasons, interested flag corps, rifle corps and band members may join Winter Guard. The bands' activities are appreciated as they highlight community and school events. The Wind Ensemble under the direction of Mrs. Cheryl Ann Graham and the Concert Band under the direction of Mrs. Marva Feiszil earned superior ratings at District Eight Solo and Ensemble Contest and Qualified for state competition on May 1. This is the first time at NPHS that both groups qualified for state competition.

ANYTHING GOES

SPRING MUSICAL

Cole Porter's musical, **Anything Goes**, was meticulously presented to the community by our students, director Miss Lynne Tschudy and musical director Mr. Joe Palmer. This nautical presentation revolves around Billy, who meets up with his long, lost love, Hope, who is accompanied by her fiancé, Sir Evelyn. With the help of his friends, Moonface Martin and Reno Sweeney, Billy conspired to win Hope's heart before her marriage to Sir Evelyn. Only through many disguises and much confusion does Billy halt the marriage and finally get his love back. Thanks to all who participated in this entertaining spring production.

1981 PROM

"LOVE IN THE 'OLE SOUTH"

A job well done by the Junior Class, gave NPHS the fantastic prom, "Love in the Old South" on May 16, 1981. Surrounded by southern plantation architecture and gardens, our students danced to the mellow tunes of "Destiny". Post prom activities were held at BJVS where "Wild Horses" entertained the juniors, seniors, and their guests. Closing prom events included a movie, bowling, and breakfast—only a memory remains.

COACH WINS 200TH

Head Coach Jim Kaserman led the Red and Black into battle for the ninth year, and this year's linksters gave him his 200th career victory. The golf team again enjoyed a sterling season as the red varsity posted a 12-7 mark and the white team compiled an 11-5 record. Strong tournament finishes by both varsities helped to buoy the Quaker cause, with the red varsity moving into district competition for the seventh time in nine years. The reserve team, despite playing a limited schedule, fared well, closing out the year at 6-2.

Special awards at the fall sports banquet were Senior Don Baumer, Most Valuable; Sophomore Steve Liberatore, Most Improved; Senior Don Baumer and Senior Brad Setters, three-year lettermen.

FURIOUS FINISH

With the help of experience, the NPHS Girls' Volleyball Team climbed the ladder of success as they posted a respectable 9 - 13 slate. The Quaker girls started slow and finished with a bang. At one time in the season, the team won six in a row to help both their confidence and their enthusiasm. Head Coach Sue Miller was optimistic about the season, as the play of her Seniors keyed the success of the team. The volleyball schedule also included a win over Dover, which is always nice in any sport. Senior Barb Hagey was accorded the Most Valuable Player Award as she constantly played consistent volleyball for the whole year. Senior Barb Marinelli won the Best Defensive Player for her special skills. This year's team showed that with Senior leadership the Red and Black can have a productive season.

The season was highlighted when the harriers received the Runner-Up trophy at the 13-team District Cross Country Meet in Lancaster. The Red & Black placed second in the Cardinal Conference meet at Ashland. Head Coach Jerry Dawson should be assured of a bright future because of 12 returning underclassmen, seven of whom were letterman. Varsity lettermen for the 1980 season were Senior Larry Bevan, Juniors Dave Cox, Troy Jones, Chuck Anslow, Kevin Stevenson, Sophomore Paul Pryor and Freshmen Rick Gallagher and Mike Sablar.

GIRLS' TENNIS

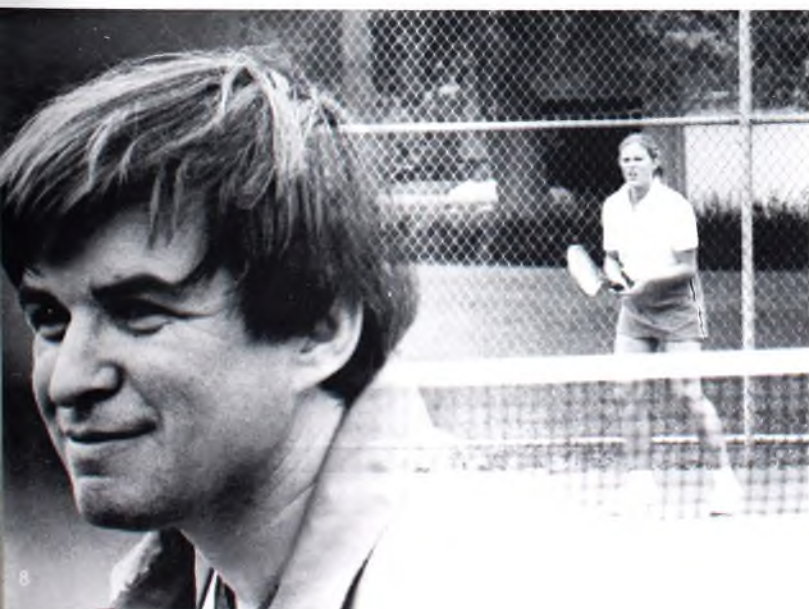

STRONG EFFORTS

Under the direction of first year Coach Dale Denham, the Quaker Girl's Tennis Team finished the season with a 5-16 record. The girls fought hard in every match before losing in the final stages of many of their contests. Individually, Sally Stratton and Pam Schrader played first and second singles respectively while Carmen Pinelli logged the third singles spot for the racquet ballers. Senior Janet Frantz and Sophomore Nancy Sheaffer headed the first team doubles duo followed by Sophomore Brownyn Weaver and Senior Sarah Bradley who played second team. Ginger Rippley served as the backup for any needed position. At the Annual Awards Banquet Sally Stratton was chosen as the best tennis players. Pam Schrader had the honor of the top record on the team. Carmen Pinelli gained the distinction of being awarded most improved player. Janet Frantz rounded out the awards by receiving the Academic Award. Although many performers will be leaving from the squad, we will be looking forward to an exciting campaign next year.

FOOTBALL

FINE FINALE FINISH

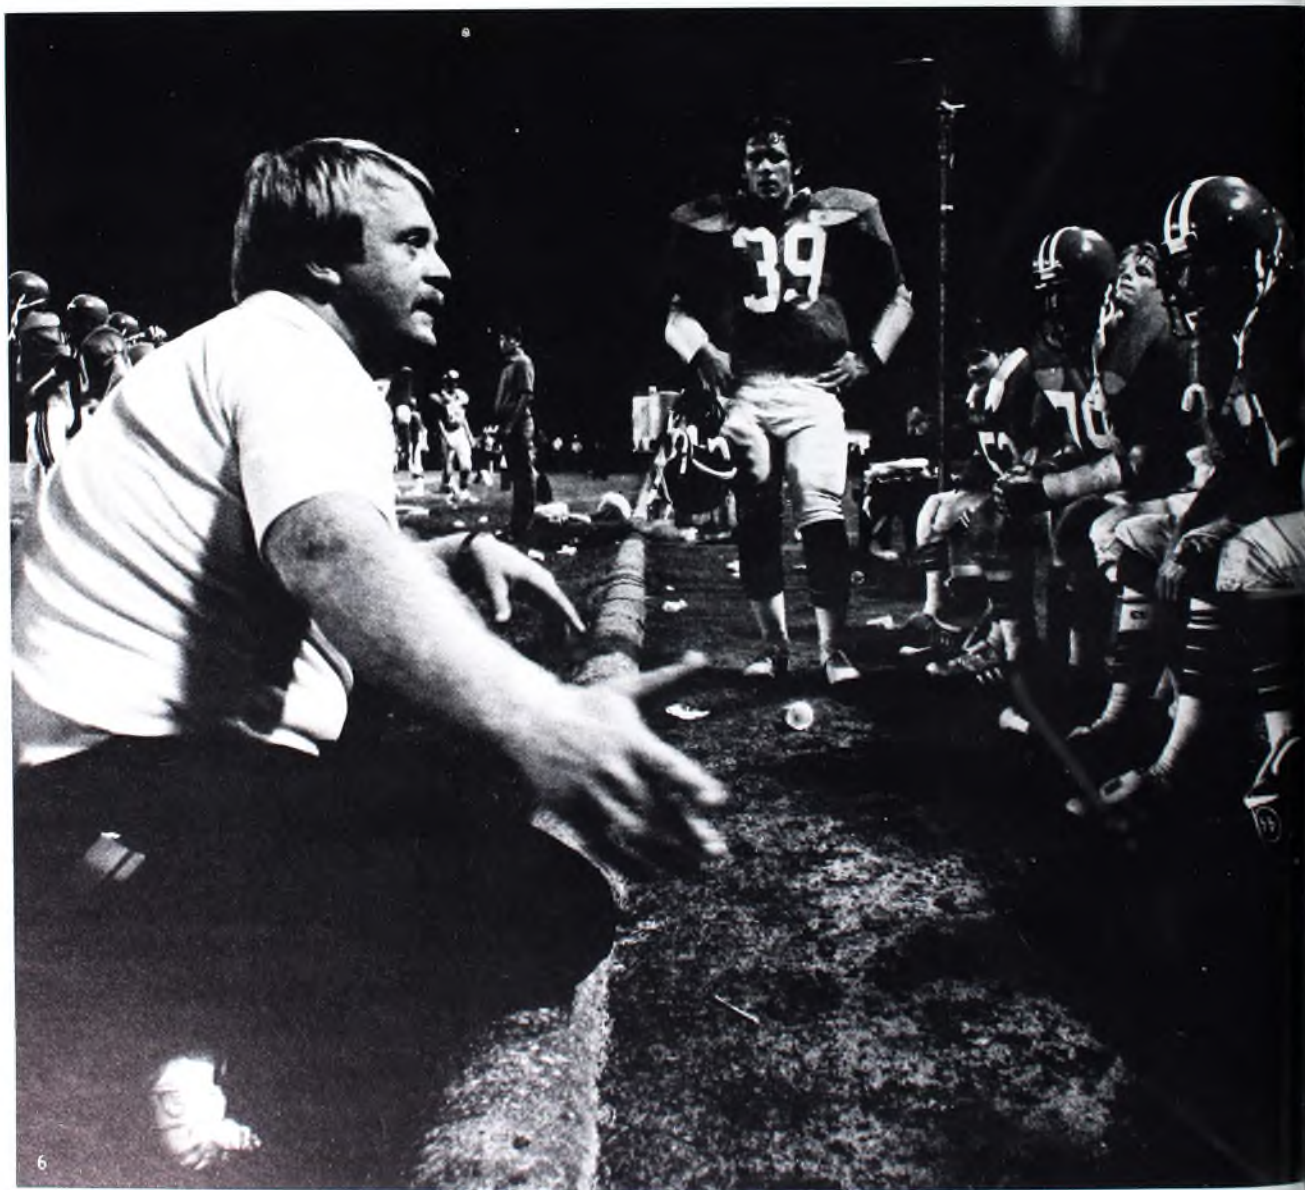

Through trying times and difficult experiences, Head Coach Jim Roman saw the Quaker football team compile a 4-6 record. With new people in new positions resulting from several key injuries, the Red and Black, with a determined effort, came through respectably. The Quakers had high hopes at the outset of the season of earning a playoff berth and strengthened their claim by winning the first two games. An outstanding performance and super fan support in the first meeting ever against the Canton McKinley Bulldogs, even though the game was lost, gave Phila added enthusiasm as the Cardinal Conference schedule opened. But three consecutive weeks of lackluster performances weakened playoff aspirations. Regaining some of the lost confidence and pride, the Quakers polished off Ashland and Coshocton, with strong offensive showing. In the season final against the team from across the river, the Red and Black played magnificently, while playing with much emotion and spirit. The outcome of the gridiron classic showed the Quakers had been beaten, but inside all Quakers had a feeling of pride that they had played their best. With marked improvement toward the end of the season, the offense showed continuity, while, the defense, as usual, was the strong point of the team. Senior Bobby Richardson, who was voted Top Back, who along with Senior Mike Dallas, Top Lineman, keyed the offensive resurgence. Seniors Dave Angel, winner of the Big Play Award, and Allen Milarcik, who was voted the Hard Nose Award winner, solidified the defense into a top-notch unit. Senior Jeff Evans was the recipient of the Bill Kidd Award in recognition of his outstanding performance as a two-way lineman.

CHEERLEADERS

KEEPING THE SPIRIT

Long hours of hard work and determined effort to be the best are some of the attributes of the NPHS cheerleaders. Their enthusiasm and spirit for every football and basketball game is unmatched by other schools, as the cheerleaders show uncanny imagination in their cheers. The male cheerleaders add another dimension to cheerleading at NPHS, as the guys with their strength make hard cheers look relatively easy. Fans of all ages applaud the efforts of both the girls and the guys, who were advised by Mrs. Shirley Shade. Dedication by ALL cheerleaders to make the program at NPHS superior to others is a great compliment to those involved.

BASKETBALL

Providing the most thrilling and exciting season since the memorable 1974-75 campaign, the 1980-81 Quakers posted a fine 14-6 regular season mark. Through many hours of hard work, the Quakers were molded into a cohesive unit. The strong rebounding and inside play of Al Milarcik, Jim Boose, and Jay Tolloti combined with the offensive punch of Steve Shade and Rick Leggett along with a strong bench brought fan revival from the sport this city has been waiting to hear from for a long time. Beating such opponents as Class AA state qualifiers Tri-Valley Scotties, Cardinal Conference champs Mansfield Madison, runner-up Wooster Generals and the pesky Coshocton Redskins on the New Philadelphia hardwood, the Quakers sported a fine 10-1 mark in front of the home crowd.

Carrying a three-game winning streak into the sectional opener, the season ended on an abrupt note on a heart stopping last second shot by the Cambridge Bobcats.

A shower of post season honors went to the Quakers sharpshooting Senior guard Steve Shade. Steve was awarded Player of the Year in the Cardinal Conference and District V. His other illustrious prizes included first team Cardinal Conference, First Team Eastern District, First Team District V and the most prestigious honor of all, **First Team All-Ohio**. At the awards banquet held at Buckeye JVS, Jim Boose was awarded the rebound award, Mr. Defense went to Al Milarcik, Rick Leggett was recognized as the best foulshooter, Paul Stein received the Coaches Award and Steve Shade was deservedly selected Most Valuable Player. The 1981-82 rendition of the Quakers cage squad featuring co-captains Jay Tolloti and Dave Cox and a fine group of returning roundballers should provide more excitement for the fans at NPHS in the upcoming years.

SHADE BREAKS RECORDS

Putting a dent into Quaker basketball history, Senior Steve Shade added many honors to his long and illustrious list of achievements during his career at NPHS. Shade's most noticeable shattering performances were accomplished on the Quaker hardwood. On a cold December 27th night, Steve had a memorable game as he sizzled the nets for 48 points, breaking the old record of 42, set by Dan Liedtke in 1978. Shade's performance was instrumental in the Quakers 21 point onslaught of Madison. As the season progressed, it became apparent Steve would break the school record for most points scored in a career, which was 1,320 set in 1951 by Dave Leggett. In his final home game, before a Parents' Night crowd, Shade nailed a jumper from 25 feet away with 3 seconds to go in the third period. It was a vintage Shade jumper with the ball ripping the nets without rattling the rim. Steve closed out his tremendous career with 1,372 points. CONGRATULATIONS STEVE on an outstanding sports career at NPHS.

GIRLS BASKETBALL

GREATEST EVER

Closing out the regular season with a brilliant 16-4 mark, the NPHS girls' basketball team completed its most successful season ever in the short-lived history of girls' basketball. Knocking off such powers as Buckeye Trail, Ridgewood, and Fairless, the Red and Black rolled impressively through their schedule with the aid of screaming fans. Led by Juniors Mickey Heck and Tracie Spriggs, and Sophomore Chris Mascotti, the Quakers had one of the top records in the area. Head Coach Al Kennedy, who was in his first full year as head coach, enjoyed immense success as he molded together a fine unit of ballplayers. The Quakers then roared through tournament play, winning their second sectional title and first district title. Heading to the regional opener, the girls faced some stiff competition, with Columbus Watterson being the first foe. A combination of strong inside play and a soft outside touch by Watterson added to the demise of the Quaker machine. After the heartbreaking defeat, the Red and Black returned to Phila with the knowledge of being the GREATEST EVER. Losing only one senior, Diane Lautzenheiser, the Quakers show promise for the future.

WRESTLING

SECOND IN C.C.

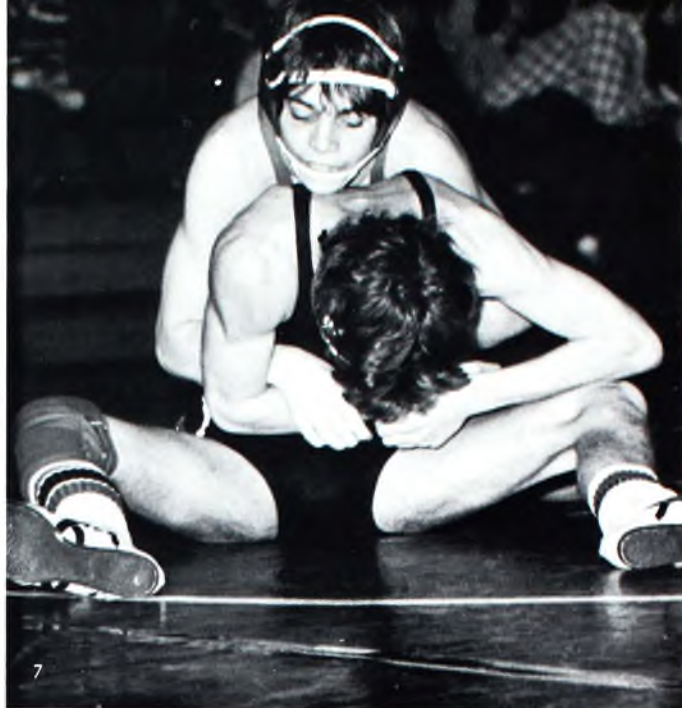

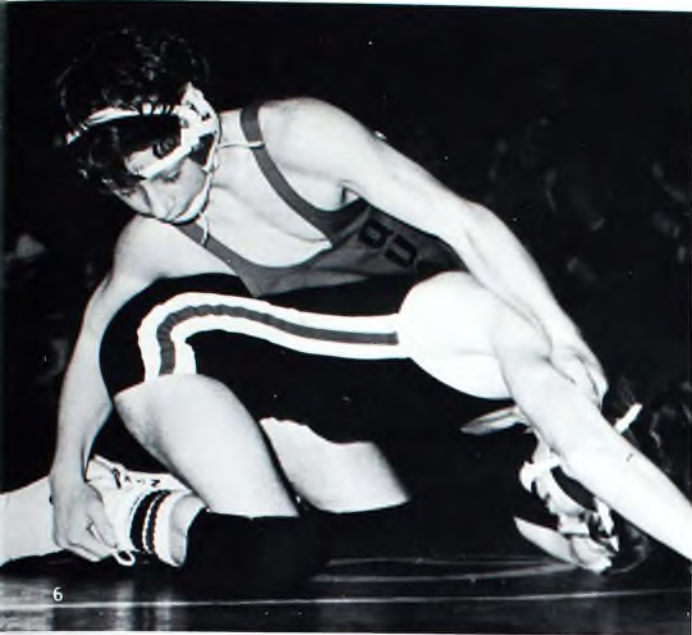

With a 10 - 8 dual match mark, 1980-81 was a fine year for New Philadelphia Wrestling. The Quaker matmen recorded many firsts during the year including runner-up in the Cardinal Conference Tournament, first in the All-County Tournament, and the school's first ever Sectional Crown. Highlighting the dual match season was a sweet victory over the team from across the river by a 27-19 count.

Individual honors went to: Senior Mark Litts, Most Valuable Wrestler, Most Pins, and Most Take-downs; Senior John Gasser, Academic Award; Junior Dave Ridenour, Mr. Reversal; Junior Doug Bailey, Mr. Escape; Junior Chad Paris, Quickness Award; Junior Ed Conklin and Sophomore Rocky McKay, Most Improved Wrestlers; and Best Reserve Wrestler to Freshman Bruce Abbuhl.

Head Coach Glenn Youngen should expect many more good seasons to come with many wrestlers returning next year.

The 1981 New Phila Tennis Team posted its best season ever with a 16-5 dual match mark. Second-year Head Coach Dale Denham guided the Quakers to a second place finish in the Cardinal Conference, their highest place ever.

Highlighting the dual match season was smashing archrival Dover 4-1 in a landslide victory.

Leading the way all season were Seniors Steve Yarnell and Ed Marsh as well as Sophomore Brent Morgan in the singles bracket. Junior Bob Berichon, Sophomore Joe McCartney, Junior Brad Paul and Sophomore Don Renner lead the doubles department.

Reflecting back, the netters combined their best season ever in NPHS history, their highest finish in the Cardinal Conference, and gained experience with many young underclassmen returning next year.

BOYS TRACK

A TRYING SEASON

Laboring through a rough season, the boys' track team finished the 1980-81 campaign with a 2-6 dual record. The final won-loss mark does not show the true picture as the tracksters bright spots came from some very fine individual performers. The Quakers were led in the field competition by the brilliant pole vaulting of Paul Richmond. Paul placed first in the Cardinal Conference and Sectional track meets. Including Paul, the tracksters qualified three other people to the district competition by winning their sectional events. They were Chuck Anslow in the two-mile, Al Ledrich in the long jump, and Eric Myers in the pole vault. Receiving honors at the awards banquet were Matt Korintus for being outstanding in track events, Paul Richmond for field events, and Al Ledrich for Track and Field. Mike Sablar was the most improved in track events while Al Ledrich was the most improved in field events. With many underclassmen gaining experience on this year's squad, the upcoming year should be an excellent one for coaches Dennis Edwards and Jim Carlisle.

Compiling an impressive dual meet record of 8 - 1, the NPHS girls track team stormed through the season overpowering all opponents in route to the sectional championship. Head Coach Pat Veltri did not expect such immediate success, as he foresaw problems in several areas. Fortunately for the Red and Black, all crisis were handled extremely well. Several outstanding efforts keyed the tracksters success. Big point producers Chris Mascotti, Lisa Clay, and the record-shattering 440-yard relay team led the Quakers to their second consecutive sectional victory. Lisa Whitis, Missy Wentworth, Chris Mascotti, and Traci Spriggs, were the fast moving quartet who composed the 440 relay team.

BASEBALL

A STUNNING SEASON

After watching the many fortunes of the Quaker baseball team a year ago, many observers were pondering with skeptical forecasts the outcome of the 1980-81 rendition. Fourth-year mentor Rick Sattler and assistant Jim Watson joined forces to solidify an already strong Quaker nine. Superb pitching paired with powerful hitting and good defensive play made the Red and Black undefeated at 13-0 heading into sectional tournament play. Escaping with a hard-fought 1-0 victory against a scrappy Zanesville team, the Quakers held much enthusiasm going into the next game against Dover. A large following at Tuscora Park added an electricity to the air. Key hitting gave Phila an 8-3 victory. A weak Steubenville team ventured into Tuscora, awed by the Quaker machine. It was a David and Goliath story, as the big Red ended fantasies of a return trip to Columbus. It was a disheartened and shocked team that was able to lift up their spirits and win the Cardinal Conference crown for the second year in a row, finishing 12-0 in conference play. The magnificent season of 23-1 was marred only by the agonizing defeat, as the 23 wins established a school record. Mike Stokey and Steve Shade were named Co-Players of the Year in the conference, as both compiled impressive stats. Craig Tolloti, Dane Smith, Steve Stokey, and Eddie Churney were other first team selections, proving the Quakers were strong all the way around. Brian Timmerman was accorded an honorable mention berth.

ALWAYS A MEMORY

August burned bright with hope as a new season and school year approached. Friendships were made and reestablished as we looked forward with youthful anticipation. Little did we know events are often cruel.

On August 21st our friend, peer and fellow athlete **Steve Berentz** was injured in a preseason football scrimmage. We were concerned, but unaware of the seriousness of his injury.

During his stay at Akron Children's Hospital, and through his rehabilitation to overcome paralysis at the Hillside Center in Warren, Steve's bravery inspired us all as he endured pain and torment with courage and humor. With an ironic twist it was he who cheered up our team and our entire community. We will never forget when the following telegram was read at the Phila-Dover Pep Rally:

TO THE STUDENTS OF N.P.H.S. C/O QUAKER CLUB NEW PHILADELPHIA, OHIO
THANK YOU FOR EVERYTHING ALL OF YOU DID SAT. & SUN. YOUR THE GREATEST!
AFTER MY INJURY I PRAYED TO GOD FOR TWO THINGS.

(1) THAT I WOULD HAVE USE OF MY ARMS & HANDS

(2) THAT I COULD BE AT THE PHILA - DOVER GAME THIS YEAR.
WELL SOMETIMES YOU CAN'T WIN THEM ALL.

SIGNED,

STEVE

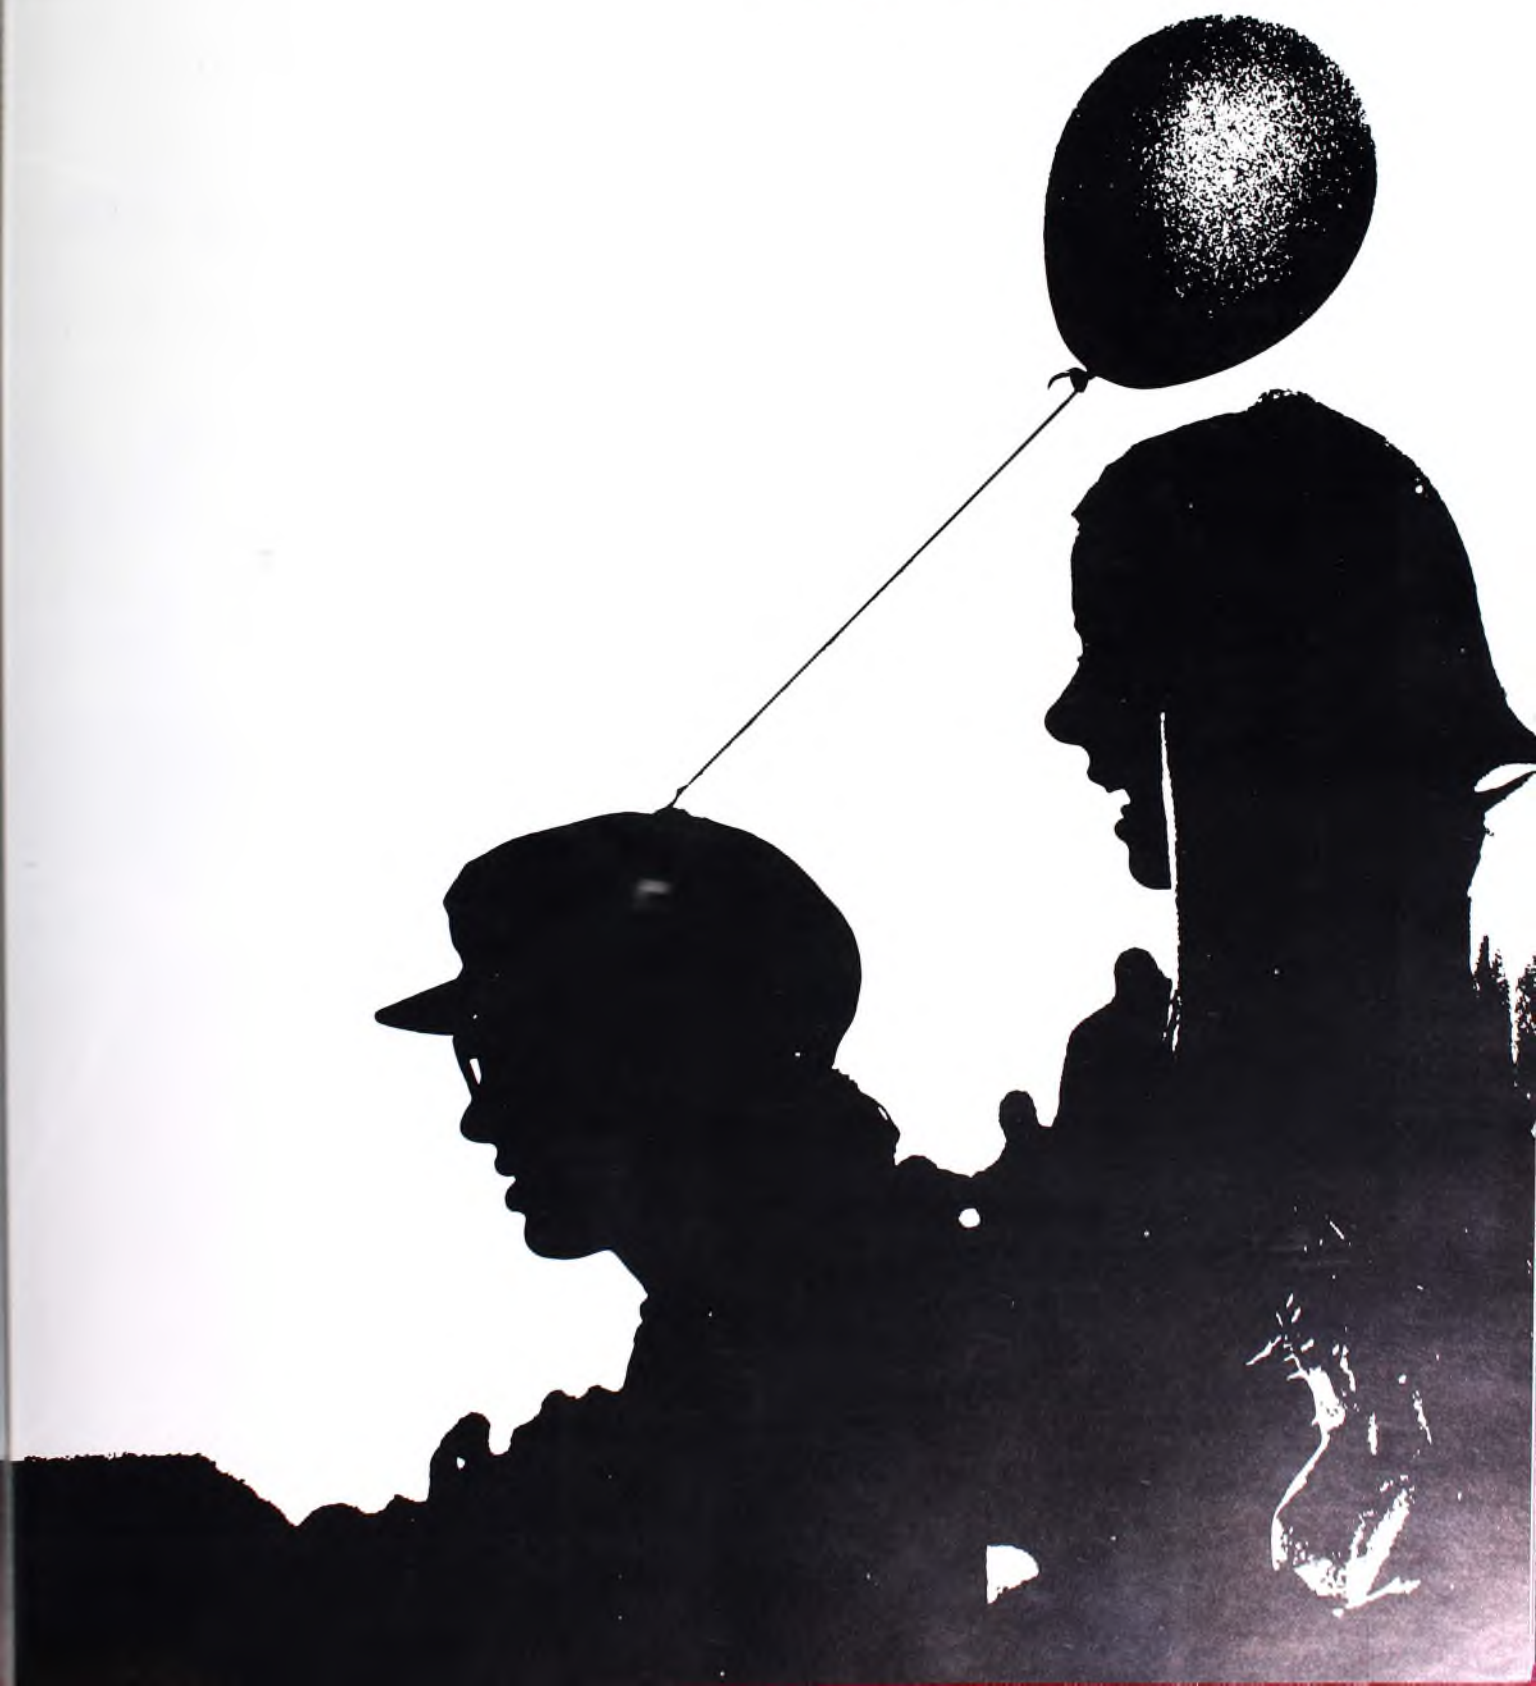

P.S. DICKEY PUT THE PINE TO THE METAL AND PICK ME UP AT
3:00 P.M. FRI. I AM COMING TO THE FOOTBALL GAME!

We were happy when Steve made his first trip home since his injury. We were thrilled when his ambulance entered Quaker Stadium, and remember with pride the effect it had on the crowd—both home and opponent alike. Shortly thereafter we were saddened and stunned with the news that Steve had died.

We now face the future as better people because of what Steve taught us. We had a friend—we will always have a memory.

ORGANIZATIONS

DELPHIAN STAFF

To produce this year's yearbook, the Delphian staff and advisor Mrs. Mary Baab worked many hours. Our book was financed by the Business staff who sold yearbooks, ads, old pictures, and carnations. Editor-in-Chief Jodi Ernest designed the book and directed members. The Portraits section covered each class's activities and organized student pictures; the Academics section was in charge of covering student assistants and teacher candids. Events preserved plays, dances, graduation and other events attended by NPHS students. Athletic happenings were covered by Sports staff and club activities recorded by Organizations. Photographers were busy taking pictures while typist Ginger Rippley helped us meet our copy deadlines. This year was an historic one for us since our editor's grandfather was the advisor for the first NPHS yearbook.

EXCHANGE STUDENTS

This school year we had the privilege of having four exchange students attend NPHS. They came at various times and were from all parts of the world. Karen Wrench arrived from South Africa at Christmastime in 1979 and stayed with us until Christmas 1980. Her British accent and knowledge of her native country made her stay in New Phila pleasant and educational to our student body.

At the beginning of this school year, Jonas Appelgren and Annika Nilsson arrived at NPHS. Both are from Sweden. Jonas and Annika provided many insights to us concerning Swedish customs and they made our classes more interesting.

Maryanne Russell came in January from the far off land of New Zealand. She is full of energy and gives us interesting highlights of her culture. All of our exchange students have given our student body added interests in people from other lands who have different ways and customs. We have loved having all of them and we will remember them long after they return to their native lands. We hope they have enjoyed NPHS and that their memories of us are as fantastic as ours are of them.

ASSISTANTS

Throughout the year, the many assistants at NPHS. have helped the faculty and students without much recognition. Hard work and willingness to help others makes these people dedicated to their work in their respective fields. Assistants are the behind-the-scene people who make each teacher's job a much easier task, helping in any way they can. Many devote a considerable amount of time to being an assistant, sometimes spending long hours to see a job or problem through to end. More acknowledgements should be bestowed upon these valuable cogs in the academic machine at New Phila.

This year at Buckeye Joint Vocational School 168 students have combined work with fun.

Buckeye has thirty-three programs and five clubs. The students participated in many activities such as: collecting canned goods at Christmas, competing with other schools in contests, intramural volleyball, football, and a winter formal.

Many of New Phila Seniors qualified for early job placement. By doing this they are getting a head start into the career that interests them.

Buckeye is the place where you learn by doing.

CLASSES

CLASS OF '84

Starting from scratch, the Freshman Class made giant strides in their first year in senior high. We earned over \$3,000 for our treasury through hard work on our money-making projects. The Freshmen constructed a float which captured the most humorous theme in the Phila-Dover Week competition. We called upon our talents once again as we organized a successful dance—**Beach Mania**. Our officers for the 1980-81 year were President—Rob Wherley, Vice President—Cindy Miller, Secretary—Michelle Miller, Treasurer—Heather Hagopian, and Special Activities—Kenny Carroll. Of course, the year could not have been a success without the dedication of our advisors, Mrs. Susan Chapman and Mr. Lloyd Miller.

CLASS OF '83

Combining superb leadership with our artistic talent, the Class of '83 received big dividends from our hard work, by winning first place for our float during Phila-Dover Week. We also were declared winners of the spirit ribbon competition among the classes. This patience and willingness carried over into our money-making projects, we earned money from the sale of Christmas ornaments, Quaker supporters and by selling popcorn. President Sheila Chaney, Vice President David Aschenbach, Secretary Chris Mascotti and Treasurer Deanna Swaldo combined with advisors Mr. Larry Chaney and Mrs. Mary Doughten, and many other hard workers, gave the sophomores a lot to be proud of during their Sophomore year.

CLASS OF '82

Bolstering the budget by holding many money-making projects, the Class of '82 showed dedication by earning big profits for the benefit of the prom. Projects included sponsoring two dances with music provided by Anna Johnson and **Sorcery**, selling cloth calenders, wrapping paper, and Quaker pens, and operating the concession stand during basketball season, and a fudge stand during the First Town Days Festival. Some of our desire and pride was shown in the Phila-Dover parade as the Junior class float was awarded top honors for mechanical movement. In the Christmas parade, our beautiful work of art won first place. To cap off the fun filled and involved year, the Juniors provided for a magnificent prom, held May 16 and entitled "Love in the Ole South." Advisors, Mr. John Meenan and Mr. Rod Miller brought respect and admiration to the class members.

CLASS OF '81

Like a balloon that was carried away by the wind, another year has drifted by. Our class designed and built a Phila-Dover week parade float for a very special friend. It won best theme and its meaning made it a real winner to our senior class. We gave meaning to Christmas by adopting a family. The prom was special because it was our last formal dance of the year with lasting memories. Cedar Point was the setting for our senior class trip and we enjoyed it immensely. Every senior was looking forward to graduation. That day came and we recalled with our friends the good times and bad times that we shared together during our years at NPHS. We could not have made it through the year without our supportive advisors, Mrs. Lucia Seymour and Mr. David Bear. The year may be over but we will always recall memories of New Phila High.
