HOMECOMING

A Royal Affair

The pep rally during school got everybody's spirit going and everyone was confident that Philly would win the game. At the game, our team put up a great fight, but to everybody's disappointment, Ashland managed to beat Philly. But the disappointment about the game could not beat the spirit for the Homecoming Dance.

The Homecoming Dance was enjoyed by throngs of people. Held at South School, the dance served to begin many romances. Everybody who was at the dance seemed to be having the time of their lives, especially each class' attendants.

"Students Against Drunk Driving"

S.A.D.D.

SADD is an international organization that was formed to try to help save lives. Our SADD chapter has many goals to strive for, such as wanting to alert students to the dangers of driving drunk, to save and protect innocent lives, and to make the community aware of our existence.

The members of SADD decorated a bulletin board throughout the year. They also hung posters up that reminded students of the consequences of drinking and driving. The SADD organization at NPHS wishes to serve as a reminder that fellow classmates care.

Keeping alive the memories of '87

DELPHIAN STAFF

Just because the 1986-87 school year is over doesn't mean the memories are gone, too. The Delphian will preserve those memories forever.

This year's staff was under the direc-

tion of advisor Jason Young. The staff worked hard daily to produce this yearbook. Renee Brown, editor-in-chief, lead the productive year. Everyone worked hard to make this yearbook, which meant

working first period and a week during the summer. Despite many computer problems, the work finally got done. This yearbook is the finished product.

Staff Members: Lisa Swaldo, Jessica Betcher, Renee Penrod, Michelle Stone, Mr. Young, Jill Uptegraph, Trent Hyer, Sean Mercer, Rindi Gundy, and Chris May.

Sean Mercer (or Santa?) came bearing gifts to the Christmas Party.

Renee Brown shows how hard her work really is.

Renee Brown and Renee Penrod look busy but are really discussing their love lives.

Terri Howell, Maya Agarwal, Renee Penrod, Sean Mercer and Renee Brown let their Spanish blood show through.

Trent Hyer and Sean Mercer are in their own little world where they are the lords of the kingdom.

Rindi Gundy is a) doing her layout b) falling asleep c) this is not Rindi d) none of the above.

Sean Mercer is trying to look sophisticated, even though he is really feeling very full after eating everything in sight.

Lisa Swaldo can only imagine just what she got this time.

ART & SCIENCE CLUBS

Art Students Make Governor's Show

The Art Club is a club to increase the awareness of art outside the classroom. The Art Club consists of all the Art III and Art IV classes. To accomplish their goal of learning more, the club takes field trips and studies about different types of artists.

This year was the third year that the PHS art classes participated in the an-

nual Governor's Art Show. The regional show is held at Dover High School where 125 pieces are selected from several hundred. From NPHS, Frank Fabiano, Mary Boscarillo, Mike Arnold, Sean Mercer, Doug Shalosky and Jim Scott had their works selected for the district competition in Columbus. At the district competition, 300 works of art are selected

out of thousands. Out of these 300 finalists, 25 are chosen for the Governor's Award. From NPHS, Sean Mercer and Frank Fabiano were finalists but did not receive the award. This year the NPHS Art Department has gone further than in previous years. Good Job art students!

Fulfilling Expectations

STUDENT COUNCIL

Checkmark.

Another one down.

Starting in July, Student Council compiled a list of "expectations" and, looking back we've come a long way!

The year started with the annual Picnic-on-the-Lawn. Students and teachers were invited to the patio to eat a few doughnuts and catch up on the summer gossip.

During Christmas, council members contributed clothes, toys and time to give our Christmas family a happy

holiday.

In February, we sponsored the presentation of "Paradise" in the auditorium. More over, we coordinated the Homecoming Dance and the after-game dances that were held throughout the winter.

The accomplishments we were most proud of was our Leadership Retreat. At least 60 students and teachers participated in the all-day retreat to unite and spread leadership and spirit throughout NPHS.

Beth Barnish and Randy Lawrence supervise the purchases of breakfast on the first day of school.

More than 50 students attended the Leadership Retreat held at a local church.

Junior/Senior Steno and YBL

The junior/senior steno classes are a two-year intensive clerk-stenography program designed to prepare the students for the entry level positions in the secretarial field.

In the junior year the girls are prepared to type reports, letters from dictation, work on electronic calculators, take shorthand dictation, and study office procedures.

Also, in their junior year, during National Secretaries Week in April, they are put on the job at various offices in the community. This gives them some actual experience with working in an office situation.

In the senior year they work intensively with various computers, word processors, dictaphones, shorthand lab dictation, electronic typewriters, and they are assigned to work in the high school office, the athletic office, the guidance office, and the audio-visual office.

Young Business Leaders Club is designed to help the students become aware of what is expected of them in the work world. This is done by providing speakers from various aspects of the business world, concentrating on the secretarial field, to inform the students of what is needed on the job; by taking field trips to various business offices to see how they are run; and visiting major corporations to see what they expect from their personnel.

The club also holds fund raisers for the purpose of taking major field trip in the spring and for their spring banquet. They also sponsor a Thanksgiving dinner for the administration and secretaries in the administration, in appreciation for their help when working in those offices.

They also are involved in community projects during the year, such as selling roses on Rose Day and working for the Easter Seals telethon behind the scenes.

The Speech Team participated in twelve tournaments around Ohio this year, which were held on most Saturdays from November 1-February 28. One of the highlights of this year's competitions was New Philadelphia's third annual home tournament where the slogan was "Speech is Unbearlievable." It was a proud moment for all members of the team.

The Speech Team cheered on four state qualifiers this year: Stephanie Fuller and Jennifer Evans in Duet Acting, Kelli Spinell in Prose/Poetry, and Tracey Jones in Oratorical Interpretation. Other members who placed at tournaments were: Lori Barnes, Amy Maurer, Jennifer Smith and Heather Hykes.

Coach Miss Tschudy said, "This year was excellent, the best we ever had, because more people earned degrees and awards than ever before."

This year's officers were: President- Babita Sharma, Vice President- Lori Barnes, Secretary- Laura Eberle, and Historian- Tracey Jones.

RED & BLACK PACK

The Red & Black Pack started the year with the initial meeting to appoint chairmen for different activities. At the meeting, 156 members were counted. All helped paint signs for the fall sports and helped in many other ways.

In the fall, boys' sports had guardian angels, who decorated their lockers and many other things. The Pack also held

letters at the football games. When possible, they took buses to away games.

During Phila/Dover week, the Pack held a workshop to make decorations for lockers, paint signs, and hang everything up. The Pack performed the "Wheel of Fortune" skit at the pep rally.

The big money-making project was the selling of

stadium cushions. They sold many of these.

The Pack did something special for all senior members of the athletic teams. They distributed such items as socks, carnations, mugs full of candy and also many other things. In addition to this, the participants of each sport also received flowers and cookies on the day of a big game or

match as a token of encouragement from the Pack.

All in all, the Red and Black Pack showed their support for all sports and sports members. They will finish off the year by selecting new Quaker Girl and electing new officers.

Provide Valuable Work Experience

CO-OP Programs

M.E., O.W.E., and O.W.A. give NPHS students an option in their education. These programs are designed to give work experience to students who do not plan on obtaining further education after high school.

Marketing Education is designed for seniors. M.E. is instructed by Mr. Roman, who covers such areas as marketing, merchandising, and sales skills. Although his students are only required to be in school through fourth period, he says many are deciding to stay for an extra class or two and are planning on receiving some further education after high school. Also this year, Mr. Roman's students participated in the district DECA competition at North Canton. The district competition is followed by a state competition in Columbus. Kim Ernest, Marcy Stamets, Amy

Haney and Sam Mallernee qualified for state competition.

Mr. Chaney teaches the O.W.E. program. This program includes sophomores, juniors, and seniors. His students also spend half of their day in school and the rest on the job.

O.W.A. is a work program designed for freshmen only. Mr. Sattler's students are with him for two periods, during which time he teaches them math and one related subject. His students work within the school system; they help in places such as the cafeteria, the A-V office, or in the elementary schools.

These programs give students several choices. They offer the benefits of school and work while providing credits for graduation.

Future Stars Show Their Talent

TALENT SHOW

News that there would be a talent show was released in the beginning of March. Those who wished to perform turned in an application, enrolling in one of the two categories: Competitive and Non-competitive. After numerous rehearsals, the talent show was finally presented to the students of NPHS.

After the students filed into the gym, the show got under way. Emcee Mike Pogue introduced the performers. Each act was a terrific display of each person's individual talent. At the end of the show, the judges had to make a tough decision. Their decisions were as follows: Nicole Zesiger won third place with a baton act; Mike Flaherty, Bonnie Harding and Patti Ford took second prize with their rendition of the Levi's 501 Blues commercial; and winning first place with her superb singing performance was Cathy Raiff.

She placed eleventh on beam, eighteenth on vault, twenty-fifth on floor, and twenty-

first on bars. All around, she placed fifteenth. The top six went to state.

This was the only meet of the year. Kiera has competed for two years. Her coach, Nancy Smith, practices with the team at the YMCA and compete through the YMCA, too. The coach is hoping for a larger New Phila team next year.

SWIM TEAM

New Phila High School was represented by four girls on the Swim Team. These four girls were Beth Shipley, Karin Shipley, Traci Swisher, and Kristy Celce. They competed in one meet held at Upper Arlington. This was a Divisional meet consisting of about twenty teams. They were all close to the second division.

Comeback Against Dover Spurs A 9-7 Season

GIRL'S TENNIS

The girls tennis team again had a respectable season as they finished the 1986 campaign with a 9-7 record.

The Quakers began the season slow but they kept their victories and defeats evened. Late in the season the girls lost a big match to Dover which was suprisingly tough. After this loss the Quakers decided to play some real tennis. Winning the last five matches of the season, the

girls tennis team ended up with a 9-7 record.

The Quakers were helped out by Amy Sherrrets, Beth Shipley and Traci Swisher all earning their varsity letters. Also, Chris Nickerson, C.C. Runner Up, Shawna Schuct, Most Improved, and Julie Warner, Best Record, had a great season but unfortunately won't be back next year. Good Luck Quakers!

GOLF

The 1986 Golf season was a very successful year for the Quakers. The team took honors as Cardinal Conference Champs, again. They were also champions of the I.G.L. League, Wendy's Autumn Classic, Clar's All County and Districts. They finished in 6th place in Regional action. Their overall record was

a fine 51 wins and 16 losses.

The team was blessed with outstanding play by several members. Greg Ress had a season average of 77.8 with Craig Schwartz at an average of 80. With Coach Gary Miller's help, the other members also had low average scores.

Coach Miller gave his special awards to

the following: MVP-Greg Ress; Best Putter-Adam Bleininger; Greens in Regulation-Craig Schwartz; Most Consistent-Doug Ress.

The golf team is looking for another good season next year with the support of our school.

Both the Boys and Girls Varsity Cross Country teams had excellent seasons this year. The talents of these teams were the best ever at N.P.H.S. Both of these fine

teams were undefeated. The Girls Varsity team, which consists of Stephanie Henning, Laurie Ricklic, Daphne Burrier, Deana Edwards, Terri Parson, Amy Fenton and Amy

Gallagher, was the first ever to qualify for state from our school. This was the girls' first Cardinal Conference Championship ever. The boy's team, which consists of Brad Whitis,

Pat Walker, Andy Eick, Frank Fry, Scott Horrisberger, Doug Evans and Chris Walker placed 5th in Division AAA at the State Meet. This was the best ever in our school history.

Football

The 1986 football season marked the beginning of a new era in Quaker football history. The Quakers, under first year head coach, Dan Evans, opened the season with a convincing win over Cleveland South before embarking on a disastrous three game road trip. Upon their return to Quaker Stadium, the Red and Black matured into one of the most explosive teams fielded by New Philadelphia in many years.

The Quaker offense led, by record-setting quarterback John Dummermuth's passing, the running of tailback Ed Velej

and pass-catching of receivers Scott Yurich and Shane Sexton became virtually unstoppable in the second half of the season. Highlights were the seventy-three yard, fourth quarter drive to defeat Warrensville Heights, the four touchdown outburst highlighted by a ninety-six yard Dummermuth to Yurich pass against Claymont, and the thirty-two points scored against Dover, the most since 1956.

Defensively, the Quakers led by Senior linebackers Tony Miccichi and Jerry Evans also seemed to improve with each game. The two best defensive perfor-

mances came against our two archrivals, Claymont and Dover.

And last but definitely not least, the victory over our rival Dover! The fighting Quakers went into the game with strong emotion and were supported throughout the game by their loyal fans! The Quakers played hard and their reward was a 32-7 victory over the Tornadoes! The game meant a lot to Quakers, especially the seniors, who made their high school dream come true!

SENIOR TRIP

Caught ya, Ron Schlemmer and Michelle Eichel!

Waiting for dinner.

Look out-Studs invade Cedar Point!

Heather Miller and Dennis Dillon don't look too brave as they take off on the Iron Dragon.

Shawn Ford describes his feeling on the G-forces as Dave Marshall stifles a laugh.

Don't tell me-you're trying to pick up men again?!

This looks like a most promising group, doesn't it?

Nice Hats!

Senior Opening

Check out the Seniors in this section. Old friends from way back in Jr. High and some new ones we've welcomed recently.

We've come a long way together. It's been four years since that first day of high school when all of the classes, tests and studying began. But it was also the start of lots of fun. And this year was no exception- winning the Phila/Dover game, going to after the game dances, attending the Prom and finally, graduation. Our Senior year is a time we'll never forget, especially with the help of the following pages full of the 1987 Seniors.

This year's Senior section is dedicated to Mark Everhart, our classmate and friend. We the Class of 1987 believe in you and wish you the speediest recovery possible.

JUNIOR OPENING

The Juniors spent this year raising money for the prom entitled, "A Timeless Romance". The first fund raiser was selling candy bars, the second was running the concession stand. To help us our advisors were Mr. Thompson and Rod Miller.

During Phila/Dover week the Junior class decorated their hall with the theme, "Wipe out Dover". "Bite the Bullet Dover" was the title of our successful billboard.

Junior Officers: Lori Hamrick, President; Nancy Gainey, Secretary.

SOPHOMORE OPENING

The class of '89 experienced another rewarding year at NPHS. The sales of cookie tins in November, and pop at basketball games have them headed for a great prom. They also supported the Share-a-Christmas program and other projects.

Their school spirit during Phila/Dover Week really paid off.

Their hallway and billboard, both carrying "The Big Classic" theme, received first prize and judges award respectively.

The class and officers would like to thank advisors Mr. Donehue and Mr. Cadle. Appreciation goes to all who helped make this year a success.

Smile Roxanna Wills and Tanya Shanks! You're on "candid camera!"

Steve Kelley would rather be "Home on the Range" than in Geometry.

FRESHMEN OPENING

The Freshmen Class of 1990 had a very successful year under the direction of Miss Contini and Mr. Chaney. Funds were raised throughout the year by selling Christmas ornaments and trays. The Freshmen also sold popcorn at the sporting events. Some money was raised during the month of February by ice cream sales through the Goshen Dairy.

During Phila/Dover Week, the Freshmen took 2nd place in the hall decorations, and 2nd in the spirit ribbon. Instead of the traditional floats, all classes did billboards. The theme for their billboard was "Quaker Pride." The Class of '90 brought alot of spirit to NPHS and are determined to do so in the years to come.

Class Officers: Lee Strauss, president; Vicky Stephens, secretary; Brian Kinsey, Historian; Jenny Hawk, treasurer; Tiffany West, vice-president.

COLOPHON

This year, as many years past, was a combination of triumph and tragedy, of success and failure.

The Seniors have 4 great years of memories at NPHS that will never be forgotten. Soon others will take our place and will hopefully have as much fun as we did.

Each person, whether a Freshman or a Senior, has made lasting friendships that are the most important part of high school.

We would like to extend our sincere thanks to the following for the photographs and services we have used in the past year: Mitchell's Studio, especially Terry Barnhill and Bernie Gratz, the Times Reporter, Larry McBride and many of the students themselves. Also we appreciated the understanding and support of the faculty, administration and janitors.
