superior • best • excellent

How else do you describe a great year? One we're sure that will stand out in the annals of NPHS history. A new schedule, a new field, and a new principal were just a few of the reasons 2007 will be long remembered.

Classic

epoch • choice • rare

Take an old building constructed in the early 1900's and add a modern wing for science. Fill it with about 1000 students who are all proud to be called Quakers. It could only happen in one place on Earth, New Philadelphia High School.

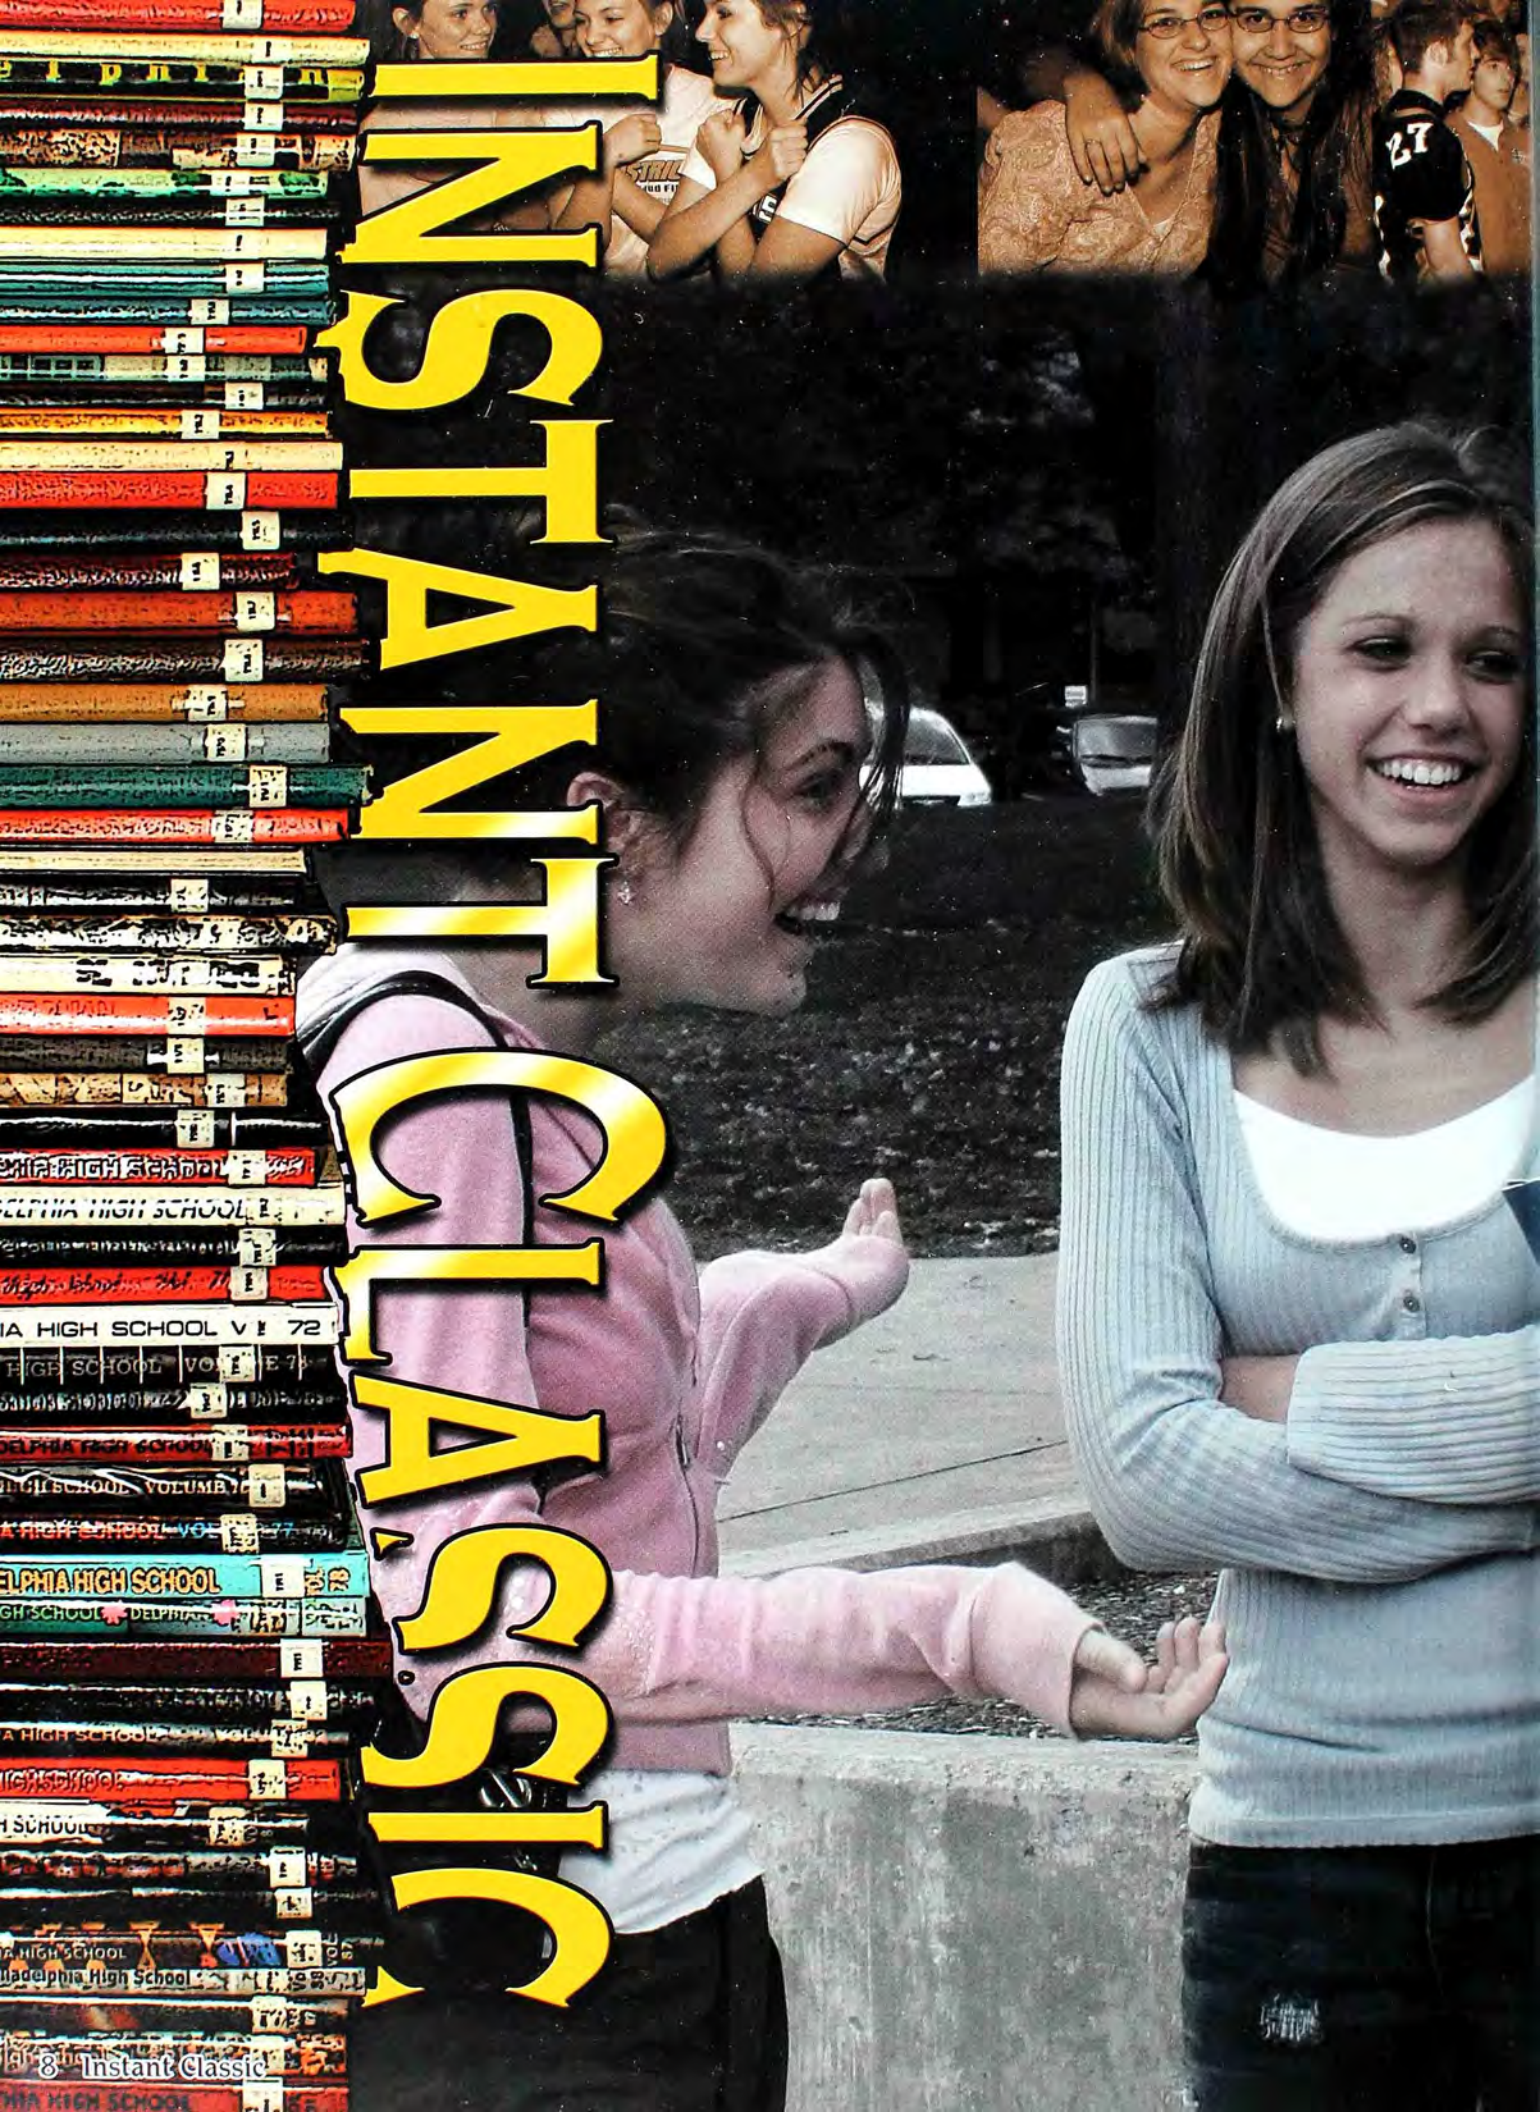

Tradition

timeless • universal • select

Many sons and daughters have walked in the same halls and classrooms as their parents. Times change, teachers change, even the building has changed, but New Philadelphia High School is the common thread that holds us all together.

BEATIN' THE HEAT

Everyone is having fun in the sun!

It was another great summer in New Philadelphia! The weather was perfect and the pools were cool. Everyone was busy doing their own thing from vacations, work, or fall sports. But soon everyone was brought back together for the Back to School Dance.

MARYNETTE

MULTI-TASKERS

Keeping busy and having fun at the same time...

Student Council had a great year. The Student/Staff game and Talent Show went off without a hitch to raise money for local charities. Starting the year off with the homecoming dance and ending it with a fun day at Tuscora Park, not to mention painting signs for spirit week and pictures with Santa, the dedicated members kept busy. Helping out the community, pepping up the school, and having fun was on the top of Student Council's list of things to do!

EMILY and Kasey enjoy painting signs to help boost up some Quaker spirit and 'slap' down our opponents.

STARVING seniors Doug and Mickey can't wait to finally get their food!

NEWCOMER Mrs. Prucha spits out a mouthful of pie filling at the student/staff basketball game.

PRESTON Morrison runs the ball to help the Quakers achieve a victory.

THE wolfpack gets fired up in support of the football team.

THE mighty Quakers huddle and prepare for the next play.

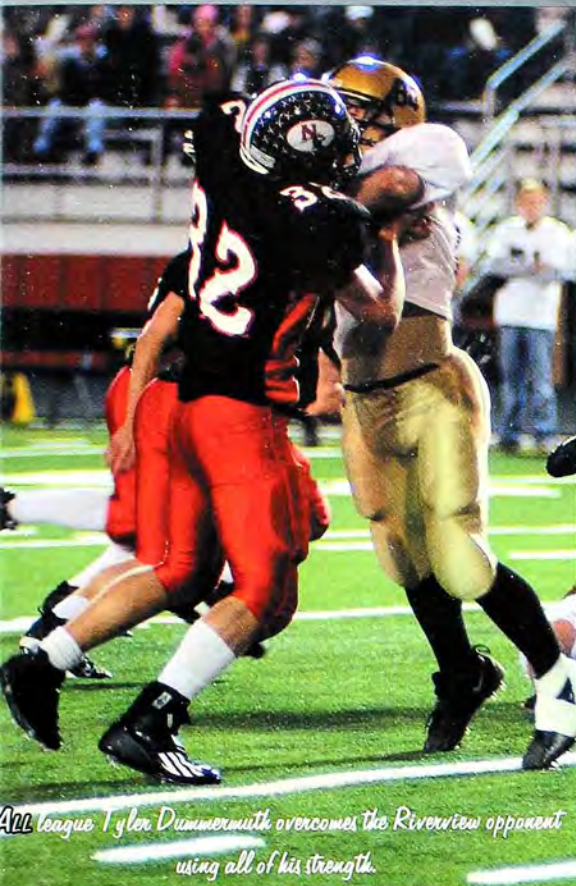

IN THE END

A tale of two halves.

In the homecoming game, the Quakers managed to gain another victory. In the first half the Quakers struggled against Riverview. With the introduction of the "bells" signaling a third down for our opponent, shouts of "Defense" could be heard echoing throughout the stadium. The second half was a different story as the defense rose up and stopped the Bears and the offense came up with enough scores to top Riverview 22-19.

SENIOR Ross Clark makes a catch and carries the ball toward the endzone!

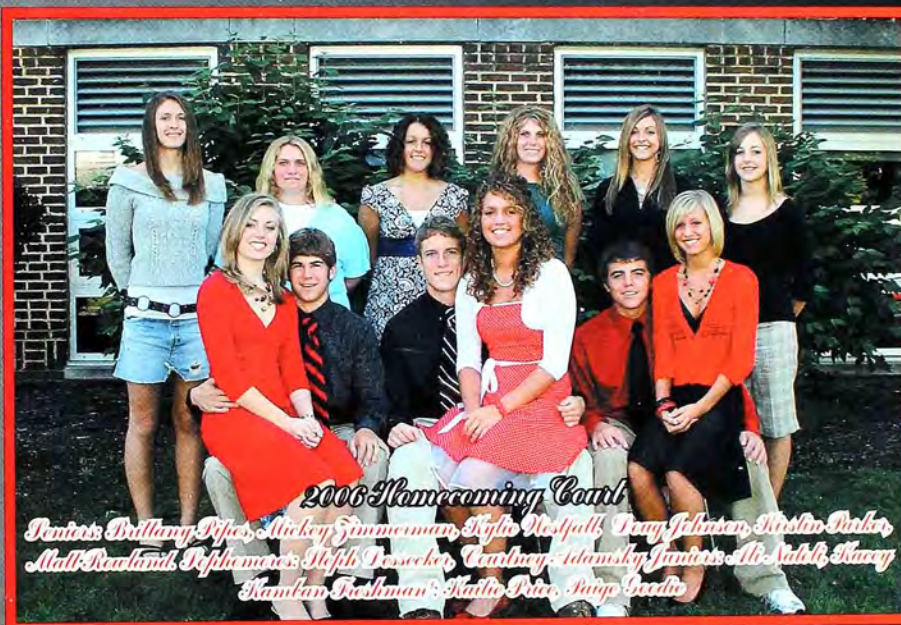

All league Tyler Dummermith overcomes the Riverview opponent using all of his strength.

ANOTHER key third down reception by Bryant McKnight keeps the scoring drive alive.

THE players on the sideline concentrate on the game.

ROCKIN' OUT

A rock n' roll romance.

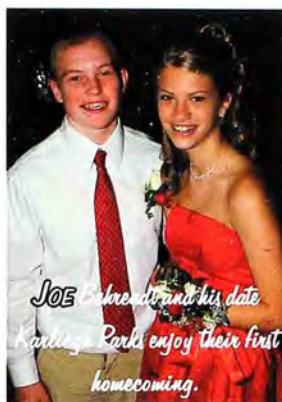

Student council decided to take a leap into the past with a 50's homecoming theme. With balloon sundaes, vintage cars and rocking tunes, the dance seemed to be a hit. Queen Kylie Westfall got her king, Matt Rowland, and they shared a dance to an old 50's love ballad.

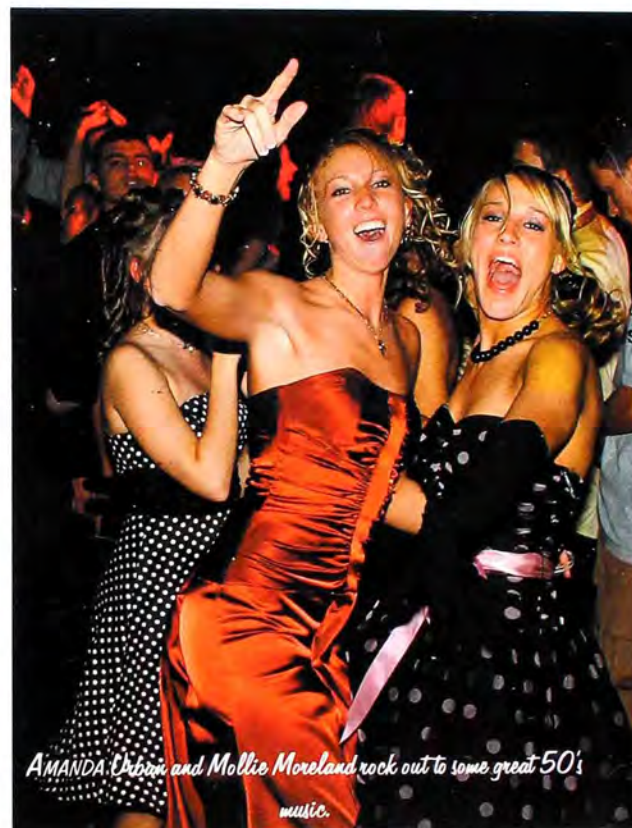

BILL Gray, Drew Ayers, and Megan Hardin get their groove on for their last homecoming.

ALI Natoli, Emma Bailey, and Hannah Rhodes wait for a fast song.

BEST FANS

We're pretty much a big deal!

Spirit week was a huge success. Students could be found in their costumes showing their spirit for the Quakers. During the week students dressed up in their best bling to Bling Out Dover, their best surfer clothes to Surf the Turf, they even dressed as pirates to Make Dover Walk the Plank. One theme that had never been done was Toy with Dover and the students dressed up as toys or characters. Also added to this years Spirit Week was a door decorating contest. Each 8th period class decorated their teachers door. The class that won received a pizza party from Student Council.

FRESHMAN Amanda Carlisle, Paige Goodie, Katie Pines and Carly Shelley make the best of cafeteria lunch while dressed as toys.

SURFING the Turf was on Ali and Courtney's minds when they were caught wandering in the hallway in their wet suits.

COURTNEY puts on her best Princess Peach impression while Logan gives her a scare with his whip.

GOIN' WILD

Another rocking rally!

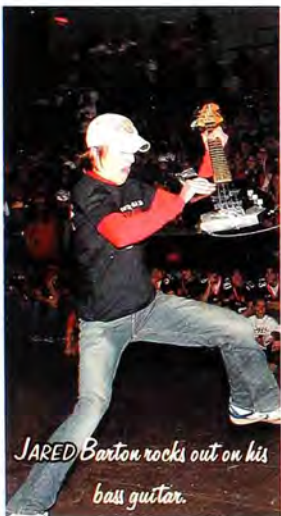

For the third year in a row, Quaker fans packed the gymnasium with high hopes of a Quaker defeat over Dover. The Delphian Chorale chose another song to rock out to, "I Wanna Rock" by Twisted Sister. The senior girls showed off their dancing talent with a special senior dance routine, the QTS showed who was King of the Jungle, and the color guard amazed the crowd with their gun spinning abilities. Senior football captain Brendan Flynn topped off the night with his hope for a "threepeat" over Dover.

SECRET AGENTS

"Bond ain't got nothin on us"

Early in the a.m., before students began flooding the hallways for the day, the Secret Seniors could be found decorating lockers. Bored of just being Secret Seniors, the Senior girls decided to have a theme. They called themselves Secret Agent 007 which became their t-shirt design. Each Senior Boy who participated in a fall sport had the privilege to have his locker decorated each week of his sports season. The girls had to play secret agent when going to decorate because the boys would find out if they didn't. When the Dover-Phila game rolled around, the girls decorated the boys' bedrooms in hopes they wouldn't find out who had them.

SARA and Ashley wait patiently to tell who they've been secretly decorating for all along.

All the girls are happy to get their gifts from the Cross Country boys.

RAINING ON OUR SPIRITS

Soaking up the atmosphere.

Thanks to the new turf, the Phila-Dover game didn't end up being a mud bowl like it had been in previous years. With the non-stop rain the turf not only helped with traction but also with not having dirty uniforms. Going into the game fans from both teams knew it was going to be a close one. With the Quakers trailing Dover by 7 going into halftime, they knew they were going to have to step it up in the second half. That's exactly what they did, with an amazing catch by Bryant McKnight for our only score. A great defensive effort wasn't enough as Dover edged the Quakers 14-7.

SENIOR kicker, Ben Behrendt, kicks off at the start of the game.

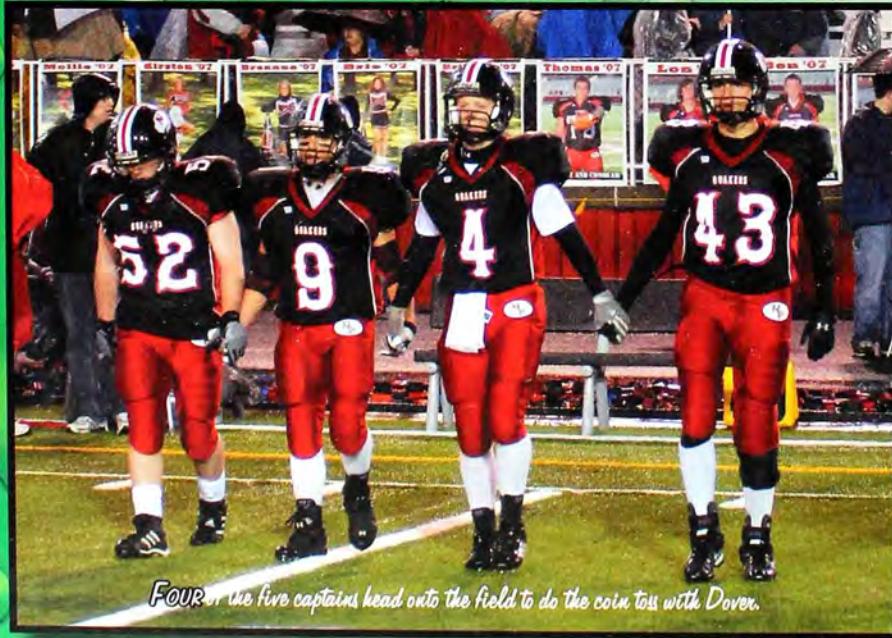

OFFENSIVE player of the year in the Eastern district, Bryant McKnight, runs for a Quaker first down.

JUNIOR, Jordan Miller, looks for an open receiver.

THE NEXT STEP

Bringing back the Tradition.

For the second year under new director, Jeff Furbay, the newly renamed MQB took to the field with another emotional show. With the whole staff being Alumni of NPHS and its instrumental music program, Mr. Furbay had plenty of help continuing the steps towards what was once a band to watch out for. Once again, with the help from the seniors, the progress towards regaining the tradition was continued.

Starting on Rampart Street, to the impact of Katrina, and ending by bringing the Saints Marching in, the New Philadelphia Marching Band brought a little jazz from New Orleans to away football games and to their State and National competitions across Ohio. They took a trip to New Orleans to play at a Church on Palm Sunday and showed the citizens of New Orleans how they told their story all over Ohio.

ON THE ROAD

Although the year was a rollercoaster ride full of ups and downs for the team, they came together on meet days and ran extremely well. E.C.O.L. and Claymont were the only two things the NPHS boy's team were concerned with. Although the team came in second at E.C.O.L. to Claymont, the boy's Cross-Country team ran an excellent season. Even though the team didn't have a perfect season, pleasing their coach was a top priority that the boys felt they accomplished.

They traveled north as far as Tiffin and south as far as Brooke, West Virginia. They did core exercises every Monday, Wednesday, and Friday. For fun, the team had waffle breakfasts, game runs, and played leap frog. They understood when it was time to be serious and run their meets as hard as they could. JUST THE RIGHT STEPS

Both the JV and the Freshmen volleyball teams took the right steps to win their games. Some of the steps may have led them in the wrong direction, but the girls still went strong. The Freshmen started off the season rough but gradually got better as the season went on. The JV team had a lot of experience with three juniors and a lot of extremely good sophomores. The JV ended their season with a record of 16-3. The Freshmen ended their season with a record of 7-9.

The volleyball team headed into the season with a lot of talent and high hopes. At the beginning of the season the girls were at the field conditioning from 6:00a.m. til' 10:00a.m. for a week straight. With the full 58 legs came a JV team giving the girls who didn't get a chance to play Varsity a chance to play a few games on JV. In the end the seasons all-stars were named. Seniors Steph Mathias, Jenn Gilland and Marah Robinson all were chosen to participate in the All-Star Game. Another Saturday morning,

IN THE LIGHT

While everyone was sleeping in, the JV football team was gearing up for another battle. After late Friday night games there was no rest for the JV's. "It seemed like it rained every Saturday morning," said junior cheerleader Emma Bailey. That did not stop the JV's from compiling a 4-4 record. The freshmen ended their season with a record of 5-4. The team struggled to get on track all season, battling illness and injuries. Even with all the injuries, they still managed to have a pretty good season.

UNDER THE LIGHTS

On the new turf, the varsity football players had another great season, finishing the year 8-2. The team just missed the play-offs losing to Dover and Cambridge. All together they rushed a total of 1,017 yards, and 10 rushing touchdowns. Throughout the season, they scored a total of 228 points. The football team was lead by captains Preston Morrison, Jordan Miller, Ross Clark, Doug Johnson, and Brendan Flynn. They achieved their team goal, to persist and conquer!

FIGHTIN' SPIRIT

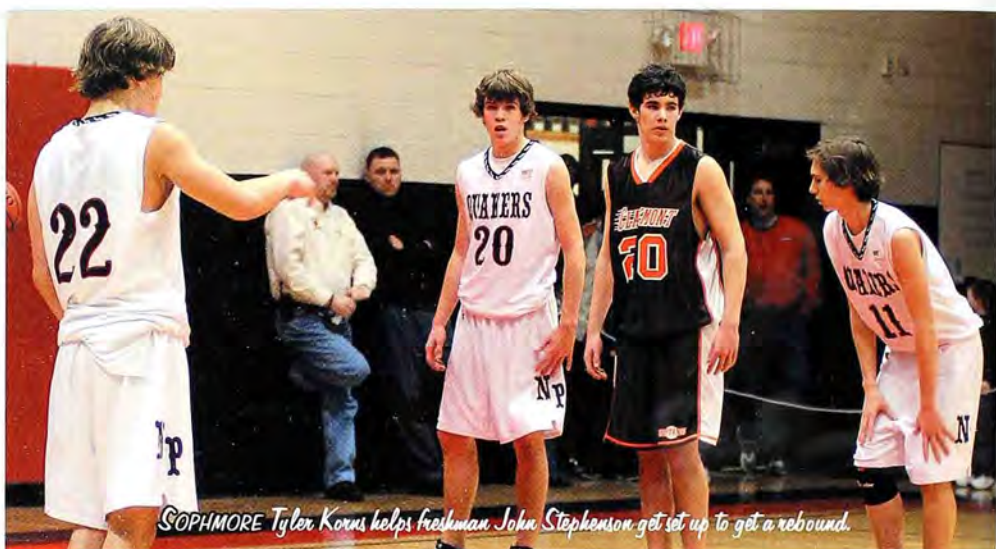

From year to year there are always changes in a roster of a team. The freshmen usually move up to JV and a new batch of freshmen come up to play. Coach Tetzloff saw a huge improvement in this year's sophmores. JV finished with a great 11-8 season, and the Freshman boys finished with 6-8 season. On the JV team, John Stevenson was the lead scorer, and Drew Sankey had the most rebounds. For the Freshman team, Zach Denham had the most rebounds and Will McEwan had the most points. Both teams had great seasons, with a great sprit all around.

WHAT IT MEANS

With a new coach came a new motto. The new motto was RYFP and it stood for "Reach Your Full Potential". The wrestlers were encouraged to Reach their Full Potential everyday in practice and during every match. At the end of the regular season the team participated in the ECOL tournament. Senior Justin VanFossen was the team's only champ and he was also voted Wrestler of the Year in the ECOL by the other coaches. The captains were also voted at the beginning of the season by their fellow teammates. Seniors Justin VanFossen, Justin Hughes, Jimmy Seldenright and junior David Schlarb were chosen to lead the team through their successful season.

The boys also had an undefeated season. The Girls took third at ECOL. The girls only lost two meets. Leading the districts team this year, swimming individual events were: Ethan Lindenbaum, Stephan Sabo, Joe Outman, Taylor Harrison, and Emily Frantz. Swimming relays for the quakers were Josh Dixon, Mickey Zimmerman, Kyle Davis, Amanda Patterson, Alyssa Engeldinger, and Kaylee Outman.

At the ECOL meet they got sixth place. The distance runners were the strength of the team for most of the season. Led by sr. Matt Johanning and jr. Stephan Sabo, they set a great example of how to work hard. In the end though, it was Caleb Celuch who came through at the league meet finishing with a 2nd, 3rd, and 4th. Caleb's 21'5" long jump qualified him to the regionals along with Andrew Sopher in the 400 meters.

But under those conditions they still had a decent record of 12-15. THE FAB 5

Although March and April brought some cold and rainy weather, the softball team still played most of their games. Even though the rain did not cancel the games, it forced the girls to spend many practices inside the gym. The team was led by five seniors, and six underclassmen joined them. Although they had a few bumps and bruises along the way, they kept their heads high and pulled off an okay season with a record of 8-14. The team won some key games against some of the tougher teams in the league and had some great times along the ways.

While many spring sports teams were suffering with numbers, the tennis team was fortunate enough to have a great amount of participants. Coming down to the wire, at many of the matches in the 2007 season, the team managed to pull off an outstanding record of 14-3. They placed second in the ECOL, having two close matches with Cambridge, and with Ashland. Both of the Dover-Phila matches were close this year. Pulling through for the team in the first match up were the doubles team of Drew Ayers, and Corey Troyer, having the deciding match. In the second match up between Dover and Phila, Mickey Zimmerman went into 3 sets, and came out with a win.

JILLIAN, Kirsten, Courtney, Emma, Tiffany, and Ali are excited to cheer at another Saturday morning game.

Having spirit on the off days...

IN THE STANDS

The freshman and reserve cheerleading squads share the task of promoting school spirit when there is usually not a lot of the school present. At the Thursday and Saturday football games, the girls could always be found cheering, even if there was a lack of participation from the stands. The freshman girls had to adjust to the high school chants and cheers, and got to cheer at several varsity football games and their own on Thursdays. The JV squad cheered at all the home varsity football games, in addition to their games on Saturday mornings, and came up with a great team saying- JV way to be! Throughout the year, the positive attitudes of the squads showed just how much they cared about the New Philadelphia High School Fighting Quakers.

ANDREA Swinderman and Jenny Hatfield love being Quaker cheerleaders.

The girls are excited and ready to cheer at the first football game of the '06 season.

Two different seasons with different squads.

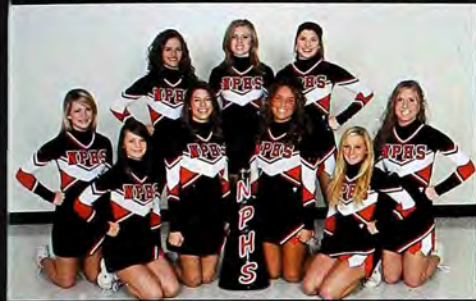

ALWAYS SMILING

The Quaker varsity cheerleaders had a fun and memorable year! With new advisors, several new faces, and plenty of spirit, the varsity girls cheered their hearts out. The squad was led by co-captains Brittany Pipes and Kylie Westfall. They girls endured the heat, cold, and rain of football season, although the weather could never bring the cheerleaders spirits down. Basketball season brought with it plenty of far away games and plenty of "tumble-offs." But through it all the Quakers cheerleaders always had a smile on their faces.

The girls are pleased with their excellent showing at the Spirit Rally.

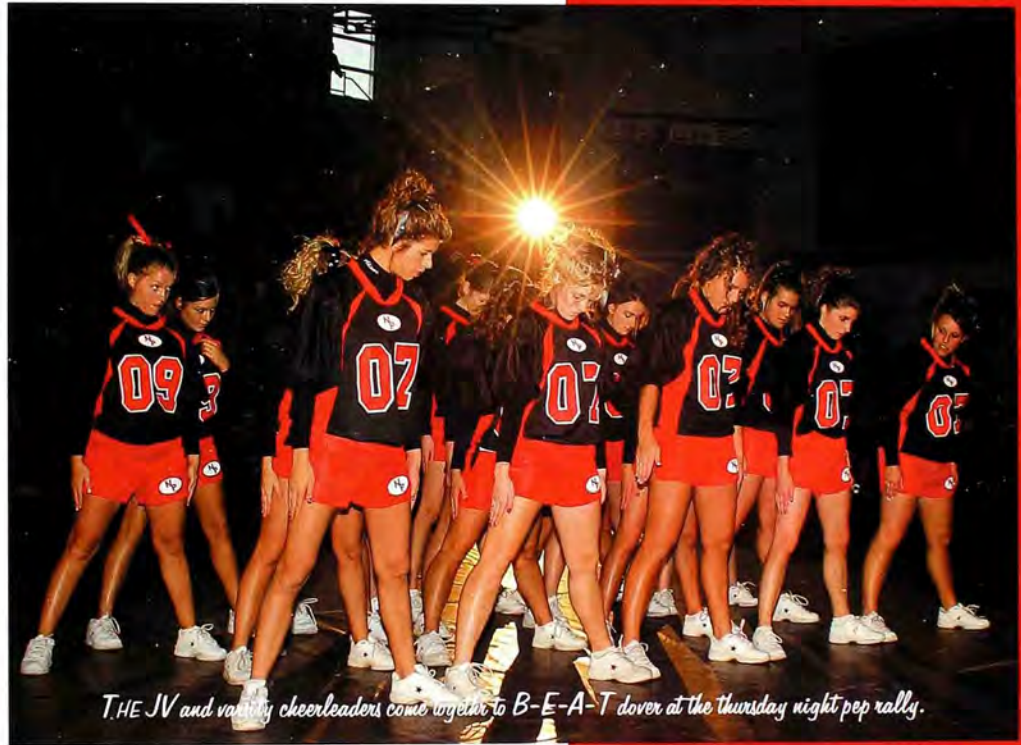

VARSITY BASKETBALL

EVEN the rain could not stop the cheerleaders from leading the boys onto the field holding the Quaker flags.

Ahhh.... 1-2-3...

QTs LETS DO IT!

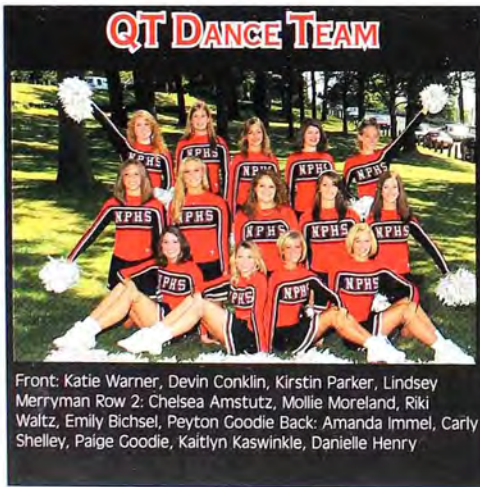

The QT Dance Squad had a full year! In the summer they attended camp, and then football season arrived, and the QTs danced at every home football game. At the Phila-Dover pep rally, they showed everyone that "Philly is King of the Jungle." Their season continued through dancing at home basketball games, and then preparing for regionals and state competitions. The QTs recieved 2nd place at state! The squad was led by senior co-captains Devin Conklin and Kirstin Parker, and junior co-captains Lindsey Merryman and Katie Warner.

PEYTON Goodie flashes the crowd a smile while concentrating on her motions.

NOT even the rain could bring down the QT's spirit as they dance at the Phila-Dover game.

JUNIOR co-captain Katie Warner wishes the girls luck before they head out onto the field.

AMANDA Immel gets her groove on while dancing at a basketball game.

FRESHMAN Carly Skelley is having a great first year on the QT dance team.

A RARE CANVAS

ETHAN Day works on his clay project for art class.

Caught in the Act

Throughout the school years students could be found doing any number of things. From hacky sacking at lunch to just chillin' at a school event. During school students worked hard in their class. Mostly everyone's favorite time was lunch, when the Sophomores, Juniors, and Seniors got to go out and the Freshmen had to stay in. The Freshmen did however get to go outside during the end of their lunch period when the weather was nice. Even though the halls were always loud and crazy, we all enjoyed our time spent here at NPHS!

BRIAN Scott works in his woodshop.

MELANIE, Taylor, and Aaron escape the below freezing wind chill in the gym lobby before school.

LOGAN practices his guitar skills while in guitar class.

JENN Gilland sits under Mr. Whereley's lite up flask.

DOUG Johnson aka Ben Beharent, enjoys the basketball game.

ALLISON, Carly, and Andrea talk while out on the patio.

RACHEL Burns and Laura Russell can't get away from one of Mr. Howard's jokes.

LIVING GREEN

When it comes to the environment Mr. and Mrs. Brady are the first to take action. They don't like to waste what is left of the earth's nonrenewable resources. They focus on insulation for energy, recyclable items, and sustainable living. When they go to school they make sure their students get a hands-on experience. Ever since 2002 biology students in both of their classes have been going to properties to collect bug samples. They later on use those bugs to create an insect collection. In the insect collection they list species, family's and orders. Their main purpose in doing this is to show that insects aren't just "bugs".

TRADING "VIES"

Trading "Vies" or lives is not something a teacher can do every-day but Madame Kline and Mr. Joinge got that chance. Madame Kline headed to France to teach, and Mr. Joinge came to New Phila. Each teacher kept in contact with one another and made blogs for students to read on the internet. At first Mr... Joinge struggled with the working hours, but he enjoyed his time teaching at New Philadelphia. PBS VS. MTV

Starting a new school year means entering into a new world of "coolness". That means changing favorite TV channels like PBS to MTV, styles of music from Britney Spears to Gwen Stefani, and trends in clothing like Osh Kosh B'Gosh to Hollister. The largest class here at NPHS could be part of this growing craze, but each student has his or her own individuality, making the freshmen the most diverse class here.

SOPHOMORE—SPACE

The world was all about communication, and with the sophomore class, myspace was the craze. Sharing pictures, leaving comments, and blogging was what this class was about. Writing to friends was so much easier with “typing language.” When they laugh, it’s LOL, when they don’t know, it’s IDK, and when they are kidding, it’s JK. Myspace was revolutionizing how the class of ‘09 communicated. As sophomores they knew they were going to BRB the following year. <3

MAKING CHOICES

The decisions we make effect us in some way, whether the outcome be good or bad. For example, with our music we decide to put on our Ipod. Instead of having to buy a CD, now we can pick and choose which songs we want on our Ipods. You could also make the choice of podcasts, videos, and pictures you want to have on your Ipod. When our style in music changes we can delete them off our ipods and add a whole new selection.

TEXTING

Not another test! Every time the class of '07 turned around it seemed that we had to take another standardized test. First it was the proficiency, then we were the guinea pigs for the new OGT. We had to take a test that no one had taken before! Along with the new test, which was the boring part, was text messaging. Texting became very popular and students could be found texting their friends almost everywhere.

LEVIES AND LOSSES

How can anyone describe our shock and sadness when Mr. Korn's a beloved father, teacher, and coach passed away in the spring of the year. Our hearts went out to Liz, Tyler, and Rachael and it put the issues of our lives in perspective. A year in which the senior class showed great pride and leadership, in which we fought to pass a levy without success. The class of 2007 will be remembered for how it bonded together, from Wolf Packs to senior camp outs across from the high school, and how they tried to include every member of the class breaking down the usual cliques that form in high school.

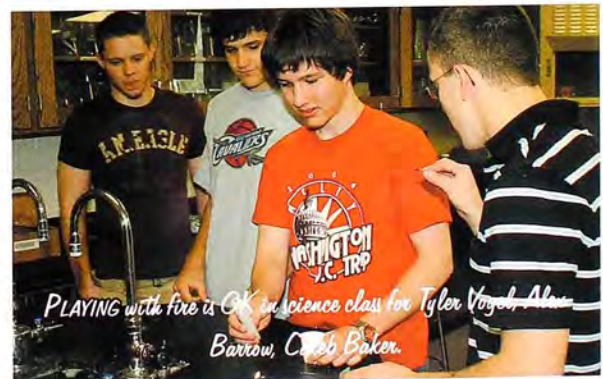

For the Valedictorians and Salutatorians lunch with Mr. Alept was a nice break from classes.
